RACE 1

WEATHERBYS GENERAL STUD BOOK NOVICES' LIMITED HANDICAP HURDLE (5) 4yo+ (Rated 0-95) £6,750 3m1f10y (5040 Metres)

Going: **Good (Good to Soft in places)**

The course is a right-handed oval with easy bends, and is a flat, fast track about one and a half miles in length. There are nine fences to a circuit, some of them rather tricky, and the water jump was filled in during summer 2008, astroturf replacing the water. Huntingdon favours horses with speed over stamina, sluggards seen to best advantage only under extremely testing conditions.

Pace Information: **Weak**

1 ANOTHER DAY OUT (IRE) (34) (C) s 97
27-324F5P 8 11-12 | 75.3kg

Martin Keighley

Sean Bowen

Front runner who won 3 handicap chases last season, including here. Started the current campaign in reasonable form (including fourth in a hurdle). Has lost her way over fences in recent starts but has a bit of class for this level if a returning to hurdling sparks a revival. Sean Bowen rides.

2 CASTANEA BREEZE (IRE) (17) (BF) b 97
354-41222 6 11-11 | 74.8kg

Lucy Wadham

Tom Cannon

Made a successful handicap debut fitted with cheekpieces at Market Rasen (23f, soft) in December. Runner-up in the same headgear on all 3 starts since (C&D latest) and new blinkers will need to give her only a little extra.

3 JAJA JIMMY (26) s+t 87
635-U584 6 11-6 | 72.6kg

Jo Davis

Tom Bellamy

Well held completed starts over hurdles, including remote fourth on last month's Exeter handicap debut. First-time cheekpieces (which are added to his usual tongue tie) need to spark improvement.

4 GLENGOLLY (23) (D) s 98
P54-41252 7 11-6 | 72.6kg

Billy Aprahamian

Gavin Sheehan

Gained his breakthrough success at Hereford (25f, soft) in December and good runner-up on 2 of his 3 starts since. Enters calculations.

5 APIECEOVFORTUNE (33) 96
542-01613 6 11-6 | 72.6kg

Pam Sly

Paul O'Brien

Has won handicaps at around 3m at Southwell (good to soft) and Fakenham (soft) this winter but only 17 lengths third at the latter venue last time, carrying her head awkwardly under pressure.

6 HAPPY RETURNS (66) (D) s 96
443/44-214 9 11-1 | 70.3kg

Neil Mulholland

Bradley Harris (3lb/1kg)

Built on reappearance second when readily winning a weak 7-runner handicap at Wincanton (25f, soft) in December. Not in the same form when 27 lengths fourth at Fontwell since. Will need a career best to defy this mark.

7 DONTTELLYAMUMJACK (77) 97
39-7034 5 11-0 | 69.9kg

Fergal O'Brien

Jonathan Burke

Has achieved only poor form over hurdles to date, finishing a remote fourth on 23f Uttoxeter handicap debut (soft) 11 weeks ago. Still early days for a good stable but he needs to find improvement.

8 CALL YOUR BLUFF (41) (BF) t 100
7305-7832 6 10-13 | 69.4kg

Emma Lavelle

Cameron Johnstone-Baker (10lb/5kg)

Placed in handicap hurdles around 3m in the mud at Hereford (third to Glengolly) and Doncaster under Cameron Johnstone-Baker on his last 2 outings. Should have a say if as effective under today's likely quicker ground conditions.

9 TIME WAS (IRE) (22) s 99
8-36P2434 9 10-9 | 67.6kg

Philip Kirby

Joe Williamson

Yet to win in this sphere but she arrives in decent nick, reaching the frame on her last 4 outings at up to an extended 2½m. Back up in trip.

10 THE LAST DROP (IRE) (23) 92
43-574764 7 10-5(10-3) | 65.8kg (64.9kg)

Richard Phillips

Finn Lambert (3lb/1kg)

No significant impact in handicaps this season, finishing a remote fourth when stepped up to 3m+ for the first time at Plumpton 23 days ago.

11 COURT ONE (IRE) (23) 91

4P-62236 6 10-5(9-12) | 65.8kg (62.6kg)

Richard Rowe

James Davies

Showed a bit more when second in a pair of 19.5f Lingfield novice handicaps at end of 2025 but below that level the last twice. 7 lb out of the handicap here and it's likely best to look elsewhere.

11 DECLARED RUNNERS

BETTING FORECAST:

10-3 Castanea Breeze, **5-1** Call Your Bluff, **6-1** Glengolly, **9-1** Another Day Out, **9-1** Apieceovfortune, **11-1** Time Was, **14-1** Happy Returns, **18-1** Donttellyamumjack, **25-1** Court One, **33-1** The Last Drop, **40-1** bar

TIMEFORM VIEW:

The booking of Sean Bowen for ANOTHER DAY OUT takes the eye and it might be worth chancing that a return to hurdling perks her interest as she's dropped to 10 lb below her last winning mark over fences. Castanea Breeze has finished first or second in all 4 handicaps and rates an obvious danger in a change of headgear. Glengolly is next on the list.

1 DANGEROUS TOUCH (IRE) (27) b **99**
413-453F2 7 11-9 | 73.9kg

Olly Murphy

Sean Bowen

Fair winning hurdler and produced his best effort over fences when picked off only late on in a 5-unner C&D handicap last month. Still probably shaped best there despite not going with much fluency, so cheekpieces now replaced by blinkers.

2 BALLYNAHEER (IRE) (121) (C) t **100**
3-3612211 7 11-5 | 72.1kg

David Dennis

Tom Bellamy

In fine form towards the end of summer and carried that on into the autumn, proving better than ever when notching a gutsy third win of the season in a 4-runner handicap chase at Plumpton (25.7f, good) in November. Absent since but has to be respected.

3 DATSALRIGHTCHARLIE (IRE) (101) (C, BF) **95**
01-236 6 11-2 | 70.8kg

Jamie Snowden

Gavin Sheehan

Landed a weak maiden event on his hurdles debut on this card last year. All 3 starts over timber this season have indicated that he should be at his best when chasing over longer trips and he's of serious interest now faced with such a task.

4 MAHLER MOON (IRE) (63) s+t **98**
315-P223P 8 11-2 | 70.8kg

Fergal O'Brien

Jonathan Burke

Winner of a handicap hurdle at Newbury around this time last year and has made a better fist of things having a second try at chasing this season, placed all 3 starts over fences at Hereford prior to Christmas. Well beaten in a deeper race at Newbury in January, though.

4 DECLARED RUNNERS

BETTING FORECAST:

15-8 Dangerous Touch, 2-1 Ballynaheer, 3-1 Datsalrightcharlie, 15-2 Mahler Moon

TIMEFORM VIEW:

A competitive small-field event, with the vote going to chase newcomer DATSALRIGHTCHARLIE, who has been crying out for the step up to a staying trip over hurdles this season and has the physique of one who'll prove better suited by fences. Dangerous Touch shaped best when collared only late over C&D last month and appeals as one who'll benefit from first-time blinkers, whilst Ballynaheer was in fine form when last seen before Christmas and has to be respected after a break.

Improved when third at Plumpton on her final bumper start and showed aptitude when fourth of 8 in novice hurdle at Catterick (2m, good) on hurdles bow 14 days ago, Longer trip here will suit.

2 KAYLA'S FRIEND (IRE) (88) 76
0 6 11-5 | 72.1kg

Olly Murphy

Sean Bowen

Looked set to win when unseating late on the latter of her outings in points but offered little in a Thurles bumper for James William Hannon prior to Christmas. Upped in trip for hurdles bow on back of interesting stable switch.

3 KITTYS GLANCE (86) h 76
3-80 5 11-5 | 72.1kg

Alan King

Tom Bellamy

Shaped well when third in a course bumper in March. Unable to make a significant impact in a Cheltenham listed bumper on her reappearance and finished tamely sent hurdling here (2m) in December. Hood now goes on.

4 LISNAMURRICAN (IRE) (54) ★ 100
25 6 11-5 | 72.1kg

Nicky Henderson

Non Runner

Irish point winner at the second attempt in December 2024 and shaped with bags of promise when runner-up on Rules debut in a 21f maiden here in December. Not in same form at Warwick since but debut form has worked out well and she's worth another chance.

5 PURE OCEAN (IRE) (50) 80
52 5 11-5 | 72.1kg

Richard Bandy

Harry Bannister

Crystal Ocean filly out of a half-sister to Champion Hurdler Binocular. Built on an encouraging bumper debut at Plumpton when runner-up in an 8-runner event at Newcastle in January. Should make her presence felt now hurdling.

6 TIPPERARY STAR (24) 74
9/9 8 11-5 | 72.1kg

Warren Greatrex

Richard Patrick

Placed on her first 3 bumper outings in 2022 but stood very little racing since and offered little returning from over 2 years off in a Hereford novice hurdle (2m) 24 days ago.

7 EBONY EBBS (18) t 70

TIMEFORM VIEW:

LISNAMURRICAN didn't initially build on the promise of her debut second here at Warwick last time but she remains a clear standard setter on that form and can make it third time lucky over hurdles. Pure Ocean showed ability in bumpers and rates as the biggest threat now hurdling.

1 DREAM DIAMOND (IRE) (13) (D) 87
67-333107 6 11-12 | 75.3kg

James Owen *Alex Chadwick (3lb/1kg)*
Made a winning start for the James Owen stable in 2m Worcester maiden last August. Has performed well below that level in 2 handicaps over longer trips since and now drops back in trip in a bid to return to form.

2 WANDERING EGO (IRE) (43) (D) 100
321-61432 6 11-12 | 75.3kg

Olly Murphy *Sean Bowen*
Bumper winner who struck at the second time of asking over hurdles in 2m Stratford novice (good to soft) at the end of October. Creditable second in 19f Taunton novice latest and he should make a bold to defy his penalty here.

3 BARGAIN HUNTER (IRE) (10) 65
5789 5 11-5 | 72.1kg

D. J. Jeffreys *Kielan Woods*
Placed on completed start in points but well beaten in 2 bumpers/hurdles under Rules.

4 CALVERT 83
5 11-5 | 72.1kg

Roger Teal *James Davies*
Fairly useful handicapper on Flat (should stay at least 2m), going down by only a nose on recent Wolverhampton reappearance. Should be up to making his presence felt in a race like this if taking to hurdling.

5 MAN OF RIDDLES (USA) (7) (D) 65
5/0 8 11-5 | 72.1kg

Max Young *Charlie Hammond*
Fairly useful staying handicapper on Flat earlier in his career but nowhere near that level these days. Well held back over hurdles here last week and looks booked for another struggle.

6 SAXON CROSS (IRE) (194) 83
525 6 11-5 | 72.1kg

Stuart Edmunds *Lee Edwards*
Runner-up on his completed starts in points and showed a fair level of ability in 3 bumpers last summer. Off 6 months ahead of hurdle debut for a new stable. Each-way shout in a race lacking depth.

7 SECRET SNIPER (21) 82
32-57 5 11-5 | 72.1kg

Hughie Morrison *Jonathan Burke*
Brother to connections' useful performer Secret Squirrel and showed fair form in bumpers. Needed experience when seventh of 18 on Wincanton hurdle debut 3 weeks ago. May do better.

8 BOLD SPIRIT (IRE) 79
4 10-9 | 67.6kg

Sam Allwood *Toby Wynne*
Well held both starts on the Flat in Ireland ahead of this switch to hurdles for a new stable. Best watched unless the betting suggests otherwise.

9 LOUIE THE LEGEND (IRE) (17) 75
65 4 10-9 | 67.6kg

Dylan Cunha *Tabitha Worsley (3lb/1kg)*
Dual 7f/1m winner on the Flat but well held in a pair of juvenile hurdles in recent weeks.

10 MARIOLE (FR) (34) 90
2-03 4 10-9 | 67.6kg

Nicky Henderson *James Bowen*
Second in French bumper over 1½m for Mathieu Pitart last spring. Well held in a listed bumper at Cheltenham for new yard but shaped better when third on 19f Taunton hurdle debut 6 weeks later. In the right hands to build on that.

11 WISE COUNSELLOR (67) 65
6 4 10-9 | 67.6kg

Daniel Steele *Caolin Quinn*
Fairly useful maiden at best on Flat (stays 1¾m) for Andrew Balding but lost his way in that sphere at the end of last summer and showed nothing on his Kempton hurdle debut for new stable.

12 ARGENTUM (IRE) 65
4 10-2 | 64.4kg

Matt Crawley *Jack Quinlan*
Modest maiden on the Flat. Fit from the all-weather but she hardly has the profile of one likely to make a winning start over hurdles.

12 DECLARED RUNNERS

BETTING FORECAST:

11-8 Wandering Ego, **7-2** Mariole, **11-2** Dream Diamond, **11-1** Calvert, **12-1** Saxon Cross, **14-1** Secret Sniper, **66-1** bar

TIMEFORM VIEW:

This could be a decent opportunity for WANDERING EGO to land a second success over hurdles. Mariole could take a step forward from his Taunton hurdle debut and is second choice ahead of Worcester maiden winner Dream Diamond, who needs to get his career back on track after a couple of lesser efforts in handicaps.

1	JAFFA CAKE (IRE) (28) 20-704P 6 11-6 72.6kg	84
	Ben Pauling  Beau Morgan (5lb/2kg) Second on bumper debut last March. Hasn't really managed to build on that over hurdles, handed a stiff-opening mark and he dropped away before home turn when pulled up at Southwell (2½m) 4 weeks ago. Others much more appealing.	
2	STAR OF DIAMONDS (IRE) (32) 454-83P7 7 11-6 72.6kg	94
	Emma Lavelle Jonathan Burke Irish point winner but more miss than hit under Rules so far, running poorly switched back to this sphere when last of 7 in handicap at Wincanton (21f) 32 days ago. Has it to prove with cheekpieces now reached for.	
3	CARLTON (7lb/3kg ex) (7) (C) 4-1373231 6 11-6 72.6kg	100
	James Owen Alex Chadwick (3lb/1kg) Prolific dual-purpose performer who was fit from the Flat and ran out a convincing winner over further here 7 days ago. Promises to take some stopping under a penalty on that evidence.	
4	WESTERN HARMONY (IRE) (396) 44/U33P- 7 11-4 71.7kg	96
	Tom Lacey  Ben Sutton (5lb/2kg) Irish point winner who showed promise in bumpers and wasn't beaten far in a small-field novice at Fontwell over this trip last winter. Folded tamely on his handicap debut/final run for Nicky Henderson at Wincanton 13 months ago but has joined a yard that does well with its recruits (same owner).	
5	IKIGAI STAR (IRE) (150) (CD) 3F7-14555 6 11-4 71.7kg	93
	Charlie Longsdon Lilly Pinchin Back to winning ways over C&D in May (now 2-2 here) but didn't kick on under either code thereafter, well held in a first-time visor (replaced by usual cheekpieces now) at Kempton in October. Had breathing operation ahead of return. Could bounce back.	
6	SUPREME SHOT (25) 65-6763 5 11-3 71.2kg	93
	Oliver Greenall & Josh Guerriero Craig Nichol Brought along steadily in maiden/novice hurdles during the winter and possible he was unsuited by the drop back to around 2m when a hollow third on handicap debut at Newcastle 25 days ago. This test looks more suitable but may be best guided by the market.	
7	SNAPIUS (IRE) (17) 24-35P724 7 11-2 70.8kg	94
	James Owen Tom Bellamy Ended long losing run at Lingfield (2m) in December 2024. Winless since but his mark reflects that and he's posted respectable efforts on each of his last 2 starts at around 2m. However, he's not sure to stay this far and his yard look to hold stronger claims with Carlton.

2 HOBIE (FR) (135) (D) 99

Left previous form well behind when making a winning chase/stable debut at Southwell (15.8f) in November. Didn't see his race out so well when third behind Flash In The Park back there the following month but given a break since and he remains one to be positive about at this level.

Given a break since, he's well worth another chance to get back on the up given his low-mileage profile. The returning Hobie and aforementioned Flash In The Park can provide chief resistance.

WEATHERBYS SCIENTIFIC FILLIES' "JUNIOR" NATIONAL HUNT FLAT (5) 4yo fillies £4,000 1m7f171y (3170 Metres)

Going: **Good (Good to Soft in places)**

The course is a right-handed oval with easy bends, and is a flat, fast track about one and a half miles in length. There are nine fences to a circuit, some of them rather tricky, and the water jump was filled in during summer 2008, astro turf replacing the water. Huntingdon favours horses with speed over stamina, sluggards seen to best advantage only under extremely testing conditions.

Pace Information: **Even**
