1 Rubinstein did not win last year but put in a couple of strong effort. Was second in the Swedish Championships for two year old horses and in Auktionslöpningen. Our pick in this seasonal debut but these conditions are not perfect. 3 Atlanta was defeated with 3.5 length by Rubinstein in Auktionslöpning last year but she likes these conditions. Possible challenger. 6 Bearded Lady liked this surface last season. Place chance. 4 Wake Up did alright in the qualifier behind Snowfoot. Has place chance too in this debut.

3 Essere put in a good effort over these conditions during the winter meeting and was second behind Saltillo. Is ridden by gifted Andreas Tapia Dalbark again and will certainly be in the mix here. 4 Ede's Garrinchi comes from his first win ever in the 31st attempt. This 1600 dt suits the horse well. Early contender. 2 Nemesis Sacc faces nice weight conditions here and could cause a surprise directly in this seasonal debut. 1 Saint Jimmy faces better weight conditions now. Has earlier won despite a lot of lead in the saddle.

6 Mountain was matched against tough horses as a three year old and did well without winning. Will like these conditions a lot and is our pick here. 3 Beach Road One is a tough gelding who wins often and is easy to handle. Has to be considered here over these nice conditions. 8 Youonlyliveonce ended last season with victory over today's 1400 dt. Should not be discounted of well prepared before this task. 7 Green Backspin scored three wins on turf last year but did well on dirt too. Outsider.

1 Black Pepper comes from a good effort over this 2100 dt and was second a bit behind Label Black. Side winkers now again and the Barocci-son is the horse to beat here. 3 Spirit River was defeated with four lengths by Black Pepper in the last race but faces better weight conditions towards the latter one today. Main challenger. 5 Surfers Paradise failed in the last race as a favorite but put in a couple of strong efforts before that. Possible if he is at his best. 4 Dudhsagar scored a strong win over these conditions two starts back. Possible here with a similar effort.

8 Orb Craft was matched against tough stayer horses last year. He did well and could score two victories too. Can do it tough and is our winner in this seasonal debut. 7 Ocean Side was defeated by Orb Craft four times last year in Malmö but faces better conditions this time and the home track is an an advantage too. Challenger. 11 Dapple comes from a very convincing victory over these conditions but faces tougher weight here. Should not be overlooked anyway. 6 Repeat Offender has good capacity and is an outsider here.

8 Midnight Oil scored a nice third spot in the last race behind winning Fabricio. Faces much better weight conditions towards the latter one here and is ridden by Elione Chaves too. Top chance. 2 Fabricio has been improved with blinkers and scored two straight wins. Same equipment again but tougher weight too. Main challenger anyway. 7 Ellis St Martin is consistent and good and this 1600 dt is perfect. Contender. 6 Luna Kalejs did not convince at the end of last season. Can do better and is a possible outsider in that case.
