3 Alba Goldneck is an interesting daughter to Maharajah who looked nice in the qualifier a short while ago. Nice number in this debut. Good chance if she finds the lead. 9 Descent Kronos collided with an opponents with 500 meter to go in the debut. Looked nice and has to be considered early. 5 Zanzibars Victoria should be improved by the debut. Tricky number in this circular start though. 10 Sigel Little Doc was third in the last run and put in her best effort so far. With the right trip from the back she could defeat many opponents.

Failed as a favorite in the last run but should not be overlooked here.

10 Fiji has done alright in two starts for the new trainer. She faces quite mediocre opponents here and should have a good chance to win. 7 Jan W.Schermer is better than he has shown in two starts after a pause. This is the third run for a new trainer and normally he will be in the mix here. 8 Art of Destiny was third in the last run and improved. Needs some racing luck with this number behind the gate and is possible then. 6 CorneliusFudge has been quite consistent against easier opponents. Place chance with the right defensive journey.

He won five out of 16 starts last year and has to be followed here. 4 Readly Lavec galloped directly on December 31 and got a break after that. Is good enough to fight for victory directly. 6 Imagine Boko has a couple of runs under his belt and finished well when he found room in the seasonal debut. Outsider.

Has eight wins in eleven starts. 5 Järvsö Neo galloped directly in the last race in Norway. Finished strongly to victory on February 22 and has to be followed here. 8 Teknogradben galloped in the seasonal debut. 3 Always Proud has been improved lately and scored two straight wins. Seemed to have energy left at the end in the last run and is well drawn now. Our pick. 8 Västerbo Maharani ended last season strongly and showed the right attitude. She got a pause now but despite that and despite this poor number she should be considered. 4 G.K.Sigill scored his first win in the last run against easier opponents. Looked nice and the horse was outstanding. He should not be overlooked here either. 5 Zorocco Yamoz got locked in with energy left two starts back. Outsider.

If she is at her best she is possible in this race. 4 Kjölstad Prinsessa scored a good second spot two starts back. In the mix with a similar effort.

1 Eagle in the Sky found the lead with this number one and won comfortably. Got a break and has been a non-starter after that but is an early contender here. Our pick. 2 Rocket Boy was not at his best in the last V75-race. Can do better than that. Is tough and should be considered. 5 Flix Dara had a strong season last year with six wins. Debut for a new trainer now and has to be followed. 7 Prometheus was poorly drawn in the last V75-race and we forget that one. Scored three nice wins in a row last summer.
