6 Running Rolf escaped before the start in the seasonal debut and became a non-starter. Scored a phenomenal win last year and will be the favorite in this three-year-old race. 5 **Daytona Gold** is undefeated so far after two outstanding wins over this 1600 dt. Main challenger. 1 **Saigon** ended last season with victory in Auktionslöpningen. Early choice in this seasonal debut despite the debut on dirt here. 2 **Vila Nova** scored a victory and was just closely defeated by Uppuppandaway after that. This longer distance is probably an advantage. Contender.

C:

1 Farhh Out scored a nice second spot behind Vila Nova in the seasonal debut over this 1400 dt. Should be improved by that race and has top chance despite a couple of interesting opponents. 7 **All About Fun** is the trainer pleased with and the Uppercut Action son scored a very nice victory in the qualifier. Possible directly in this debut. 4 **Disraeli** put in a strong second spot behind California Gold in the qualifier. Elione Chaves is an advantage. Possible challenger. 6 **Innana Sacc** uses to be in the mix but needs to be improved to challenge here. Outsider.

6 Hootenanny scored two wins in a row and put in a good effort after that too even if he was defeated with a couple of lengths by Ellis St Martin. Early pick in this tricky sprint handicap. 2 Sharp Eye got a tough start in the seasonal debut but kept up the pace well to finish third behind Yalla Yalla. Better weight conditions towards the latter one now and should be on the way up too. 3 Yalla Yalla took advantage of the quick pace and won comfortably at the end in the last race. Tougher weight now but possible anyway here. 4 Constanzia likes this distance but prefers to compete on turf. Outsider.

4 Cash In put in a strong effort in the seasonal debut despite tough weight. Won the debut over this 1600 dt as a two-year-old and is our pick in this open Silver handicap. 2 House In Order has not convinced in both starts this year. Handles tough weight though and has earlier won over these circumstances. Possible if improved. 1 Day Trader is an Irish import who has two runs under his belt on Swedish soil. Interesting in this field. 6 Green Backspin has one race under his belt now and should be on the way up. Always an outsider.
