4 Donizetti is our pick in this open race. This five-year-old has still a lot to give on the track. Has got a break but put in a couple of strong performances before that. 5 Pacific Face is very strong and would have preferred a longer distance. Has been matched against very tough opponents. Eleven years old but should not be overlooked. 3 Sweetman will probably find an early lead and then he is the horse to beat. Should be on the way up. 6 Holy Water finished well in the seasonal debut and should be even better now. In the mix with the right trip.

1 High Hope Lee met very tough opponents in the last final of Drottning Silvias Pokal. Put in a good effort there. 9 Lightning Stride makes her seasonal debut here but showed good skills last season as a two-year-old. Interesting start here. 10 Eleonora S.H. has won four out of five races and done everything right. Has been a non-starter due to fever in the last run. 7 Go Fast Shadow has impressed in Denmark lately. She wins often and is interesting in this Swedish debut.

1 Nyras Lars R. is undefeated in the lead and has won three out of three there. Can open fast but does not always show that. Got an impossible journey in the last run and we forget that start. Is gifted and our pick here. 11 Winner Brodde was the favorite in the last V75-race but galloped directly then. Scored two very nice wins before that. Dangerous with the right journey. 5 Devs Donator is good for this class. Has started six times after a long injury. Did alright in the last run but can do better. 10 Last Joke comes from three V75-starts in a row and has done well in all of them.

7 The Flying Eagle is our pick here. This nice four-year-old has won three out of six starts and has done well in all but the last. He can open fast and will probably find the lead here. 8 Global Dictator was very good in the last run and will be driven by a good and experienced driver. Early contender behind our pick. 14 Havbergs Djali met very tough opponents in the last run and did well. Is gifted but has got a tricky number. 5 Springdayfree was third in the lead in the last run and did alright.

3 Bold Face has good skills. Is not reliable though and gallops a lot. Put in a very good effort in the last run after a mistake. Will fight for victory without a mistake. 5 Cassandra Ferm is very consistent and good. Did well from outside the leader in the last run. Will get an offensive trip again. 2 Freja Skovsende scored two splendid wins in a row before she galloped in the last run. Can open fast. 1 Dublin Fi scored two nice wins in a row against easier opponents. Put in a couple of quite good efforts after that too. Should get a nice trip on the inside.

6 Aramis Face had to open fast to reach the front in the last run but scored a good victory. Christoffer Eriksson will certainly try to find the lead again here. 10 Midnight Special was fourth in the last V75-race despite a poor number twelve. Finished fast then and is consistent and good. Quick pace would be an advantage. 5 Dontloosememate put in a strong final lap in the last run. Can open fast and could find an early lead. Could be dangerous here. 9 Cojito is in great shape. Has scored two nice wins in a row. Dangerous with the right journey.
