7 Mellby Mowgli is matched in good company. Has made two starts this year and especially the last time the horse was not at his best. Returns after a short break now and the opposition is much easier than what he is used to facing. Good chance to win. **3 Good Habit** has good capacity but is a bit up and down. Has to be considered early if he reaches the front. **2 Jaguar Ima** looks nice and is an early contender too. **6 Adora Liss** was a good runner-up in the last race and is consistent.

6 S.G.Mistral has done really well for Oscar Berglund and won in a nice way. Now he faces the toughest opposition so far for the new trainer, but in return he competes barefoot and with an American bike. Good chance to score a sixth win in a row. **5 Summermusic'night S** has been matched in good company and is going down a bit in class now. Early challenger. **2 Make Or Break Zaz** has needed some time this year to really find top form. **1 Bettle Hanover** is guaranteed a good position.

4 Lundåsens Teknik has been fantastic lately and not least in the three starts he has made this year. Strong and fast. Top chance. **8 Guli Hektor** is probably as good as our pick in terms of capacity, but on the other hand he gallops a lot. **11 Svarte Petter** is strong and tough. Got a nice trip in the last race and had energy left over the finish. **1 Grisle Kongen G.L.** has a perfect starting position and with only two horses in the first circle, he certainly gets a nice journey.

Nice chance. **10 Beau Fille** has improved a lot a six months pause and has shown that she is all-round. **12 Edes Cocktail** has done well as second in two starts this year. Is versatile and an early contender with the right journey. **5 Siracusa** was clearly improved barefoot in the last race and will be driven by Mats E Djuse.
