9 Thelma M.M. was very promising as a two year old but last season was thrown in disarray. She is on the way up again and looked nice in the last race. Our pick. 12 Isabel B.R. won an elimination heat to the Norwegian Derby for fillies last year and in the final she got locked in. Debut for a new trainer now. Has to be considered directly. 10 Belle Godiva is a bit up and down but she scored a nice second spot two starts back. Should not be overlooked with the right trip. 13 Klara Zonett is consistent and good. With the right journey from the back she could defeated many opponents here.

8 White Walker has started his career with three good wins in a row. Was not empty at the end in the last race after finishing 13/1000. Good chance to score a new win despite this poor number. 3 Current Leader has two runs under his belt now and is on the way up. He should be considered early behind the favorite. 2 One More Time got a tough trip from outside the leader in the last race and got closely defeated. Is strong and should not be overlooked. 7 Wilda Knight was not empty when she galloped on the home stretch. Outsider.

7 Höstbolillemor is not reliable but when she trots well she is really good for this class. Can open fast and should reach a nice position directly. 8 Björli Frida got interfered with 450 meter to go in the last race. Finished strongly after that and is in good shape. 9 Stommens Berta is chasing the first win of the year. She got a tough final 800 meter in the last race. Outsider here with a better journey. 1 Åsa Klipp was unlucky in the last race but finished well a bit behind the winner after that. Nice number.

5 Emperor has good speed for this class and scored a nice victory two starts back. Nice number behind the gate. Our pick in this tricky race. 1 Fröken Fräken makes her debut behind the gate. Gave up in the lead in the last race but scored two good wins before that. 3 Nitro Vrijthout can open fast and scored a comfortable win in the lead for Ulf Ohlsson two starts back. Nice form and good number. Early contender. 10 Burj Khalifa has not won yet but been heavily backed every time. Could cause an upset here.

3 Armani Degato has not raced since October. Is speedy but was too fiery in the last two races of last season. Nice number over the right distance. 8 Perpetuate is consistent and good. Showed 09.5/800 at the end from far back in the last race and has to be considered here with the right journey. 9 Chestnut Hill met tough opponents in the last Solvalla race and galloped after 500 meter. Should not be overlooked. 6 Global Bookmaker does not win very often but he got locked in with energy left in the last race.

5 Matadoren Eme is an interesting five-year-old. Beat easier opponents in the last race but looked nice and we think he could set a new record here. Our pick. 2 Big Shot had been a non-starter before the last race and needed that one. Is driven for the first time by Ulf Ohlsson now. 1 Hector Boko comes from victory under the saddle. Is a good sulky horse too and has got a nice number. He has to be considered. 3 Ready Doc is not reliable but he has good speed for this class when he avoids a mistake. Outsider this time.
