7 Solanos did alright in the seasonal debut behind promising Royal Biscuit. Should be improved and has top chance in this mediocre Maiden race. 3 Aviation was improved a lot in the last race and finished third behind Blue Origin and Facone. Turf again and possible challenger. 5 Eko Lalique was improved with blinkers in the last race in Malmö. Same equipment again and she knows the track well. Place chance. 4 Forward Dream did alright on this track two starts back and finished second to Pinerolo. Is ridden by gifted Ulrika Holmquist again. Possible outsider.

7 Guadeloupe scored four wins in a row and put in quite good effort after that in Danish Breeders Cup Consolation against strong opponents. 2 Sea Moonster comes from a convincing victory over these conditions in Gothenburg after a tough journey in the lead. Main challenger. 3 Ruby Carlas was second to Sea Monster and scored a strong second spot after that on Gärdet. Possible with a similar effort. 4 Lady Monroe is the second pick of the stable here but she faces nice conditions and will be ridden by Andreas Tapia Dalbark.

9 Mogsy is good for this class and can open very fast. Our pick in this Bronze handicap over the short 650 meter. 7 Madi Banja comes from victory on this track over 1200 meter. Can open quite fast and uses to finish strongly. Challenger with a similar performance. 3 Chef La Adare was third in a Super Sprint in Gothenburg last year behind gifted duo Maid and Nom De Plume. Possible challenger. 4 Moojim put in a strong effort over these conditions two starts back on Klampenborg together with today's jockey P-A Gråberg. Outsider.

1 Firebomb showed good form in the last race in Gothenburg and came in third over these conditions. Our pick in this tricky Silver handicap. 4 Rainbird beat Firebomb to win the last race in Gothenburg. Faces tougher weight towards the latter one now but is an early challenger anyway. 6 Xtara was fourth behind our top duo in the last race and just closely defeated. Ulrika Holmquist today is interesting. 3 Spirit of Cimarron comes from Norway and has shown great form on the Övrevoll dirt. Different conditions today but challenger if the horse handles it.

3 Zingaro Boy was totally outstanding in the last race on the Bro Park dirt and got four kilo up. Looked splendid and has top chance again here. 5 Hidden Pride beat Zingaro Boy last season but faces tougher weight in today's meeting. Main challenger anyway. 12 Lexington Avenue belongs to the top stable of Niels Petersen. Blinkers this time after a mediocre seasonal debut. Typical outsider. 4 Klint was second to Tootick in the last race and improved. Faces better weight towards the latter one today. Should not be discounted.

Our pick. 1 Grey Runner has scored his wins on dirt but handles turf as well and today's distance is perfect. Early choice with a similar effort. 3 Green Lantern has two races under his belt and is developing well. One out of many outsiders here.
