R6 LA CAPELLE [L-H]

**C1 - PRIX D'AMIENS - 2750m (a1 11/16m) - Class F - Harness - EUR €
21.000**

- 1. HAZEL DOPE** - Erratic mare who pops up from time to time in amateur races. Is one from seventy-two and others are preferred
- 2. HAUTAINÉ** - Yet to win a race after fifty-one starts but not disgraced in last two and can grab a place
- 3. HASHTAG DU LION** - Has been regressive in recent weeks and is currently hard to make a case for
- 4. HARMINA DU BREUCQ** - Won well over the course & distance three starts ago. Best to forget last run in an amateur contest and without shoes today, has claims
- 5. HOOKER DU PECH** - Not the most reliable trotter but ran a good race two starts ago over the course & distance and can be included in calculations
- 6. HECTOR DES CAMBRES** - Flopped in all three starts this season including two under the saddle. Look elsewhere
- 7. HAPPY APPLE** - Seems to be more effective under the saddle at present and is unlikely to trouble the judges
- 8. HABY DE GOUYE** - Has been sanctioned in four of her last five starts and is hard to make a case for on that evidence
- 9. HELMA D'OCQUE** - Experienced mare who comes in on the back of a three solid efforts in this division. Enters calculations
- 10. HARRY DU LYS** - Showed a nice rebound of form two starts ago before the sanction last time out. On a redemption mission at present
- 11. HARIETTE DE LIZMAR** - Appears to have lost her way since last March and can easily be passed over
- 12. HUGOLINO** - Consistent for the most part. Goes unshod and should be able to play a part at the business end
- 13. HELVAMOSÀ** - Has been regressive since April and looks hard to make a case for on current form. Easy to overlook
- 14. HOLD UP MESLOIS** - Horse with a nice amount of ability and if applied, should be able to resume winning ways
- 15. HARPAGOS RULES** - Has done nothing of note since winning at Le Croisé-Laroche in May 202 and must reaffirm
- 16. HOUFFE DU FLINOIS** - Good class of a mare who bounced back to form last time at Vichy and can once again make her presence felt

SUNDAY, 18/06/23

Summary : HOLD UP MESLOIS (14) brings some solid form into this race and if he can keep his stride in check all way round, he should be able to score. However, it may be safe to keep a close eye on HOLD UP MESLOIS (14) who showed a nice rebound of form last time at Vichy. Unshod this Sunday HUGOLINO (12) is another runners of significant interest. HARRY DU LYS (10) was unlucky last time out and should not be overlooked.

**C2 - PRIX DE LA VILLA PASQUES - 1800m (a1 1/8m) - Autostart - Class E
- Harness - EUR € 30.000**

- 1. FAMOUS LAST WORDS** - Versatile distance-wise and has won a short-distance race so is clearly not out of it but recent runs have been a disappointment
- 2. ESPOIR DU JOUR** - Well tried this year with only one third-place finish to his credit. In poor form and others are preferred
- 3. FILS D'HAUFOR** - Good last run when runner-up over 3150m. Capable of a good finish when in the mood and can surprise
- 4. FOR LOVING YOU** - Showed improvement when fourth and barefoot mast time out. Remains barefoot and could finish in the money
- 5. GUEPARD DE TILLARD** - Remains barefoot. A bit of a disappointment in last two starts after a nice win. Can bounce back and score in a competitive race
- 6. HIATUS** - Remains barefoot. Good last win and he could be even better over this shorter distance. Go close
- 7. GLORIA D'OBRET** - Good third last time out but is on a very long losing streak and may not be suited to this short distance
- 8. HOLLY MESLOISE** - Remains barefoot. Very consistent this year without winning and she should be right there at the finish once again
- 9. GOLDWYN DU CAUX** - Returned to form with a barefoot win last time out. Remains barefoot and is speedy enough to be a danger
- 10. FALCON JET** - Form has regressed of late with two disqualifications in last three starts. Others are preferred this time

Summary : GUEPARD DE TILLARD (5) was not disgraced when fifth in his last two starts and could return to winning form but there a string of lively dangers. HOLLY MESLOISE (8) has been consistent all year and is not out of it. HIATUS (6) should like this distance and is coming off a nice win. FAMOUS LAST WORDS (1) has been a disappointment of late but could bounce back to score.

C3 - PRIX DE LA VILLE DU TOUQUET - 2750m (a1 11/16m) - Class E - Harness - EUR € 30.000

- 1. FRICHTI** - Disappointing form this year and was disqualified last time out. Battling to regain form and others are much preferred
- 2. FRISSON DU QUESNE** - Remains barefoot. Disappointing last run when sixth but did win at this track before that and has a winning chance
- 3. FENNEC JEGO** - Disappointing last run but is back barefoot and run well at this course before. Has a place chance
- 4. GRAND MARABOUT** - Remains barefoot. Better in claimers and he does need to find a few lengths to win this race. Might place
- 5. FOKKER DE BAILLY** - Showed improvement when fourth last time out. Remains barefoot and is better this distance. Has a winning chance
- 6. GO GO GIGI** - A winner over this course and distance in September 2022 but has been disqualified in both starts this year. Can surprise
- 7. FERLAINE** - Unreliable and has been moderate of late but does pop up in a place every now and then. Might place
- 8. DOLAVIS** - Disappointing since last win in July 2022 but is capable of doing better and could pop up in a place
- 9. DORUN BEAM** - Remains barefoot. A bit of a disappointment since a claiming win earlier this year but is capable of contesting the finish
- 10. EQUJUELO** - The last-start disqualification does not tell his full story as he was leading before faulting. In good form before that and can bounce back to score
- 11. FALCAO DE CHENU** - Remains barefoot. Disappointing form of late but has been kept to Mounted. Could be the surprise package returning to a harness race

Summary : EQUJUELO (10) could be considered unlucky last time out as he was leading to the final turn before faulting. He was in good form before that and has a winning chance. FOKKER DE BAILLY (5) is better this distance than the 2300m of his last run and he should be a danger. DORUN BEAM (9) has some fair recent form and has at least won a race this year. FRISSON DU QUESNE (2) has won at this course and is clearly not out of it.

**C4 - PRIX DE COMPIEGNE - 1800m (a1 1/8m) - Autostart - Class F -
Harness - EUR € 21.000**

1. IMOKO DEUX - On a very long losing streak and has only been modest of late. Needs to find a few lengths to win this race

2. IMPALA PARK - Disappointing last two runs but has run well at this track and should contest the finish once again

3. IROKO DU NORD - Unreliable of late and was well beaten when tenth last time out. Capable of better and is barefoot so can shine

4. ILONIE DU ROC - Mostly disappointing of late but is barefoot and could be the surprise package if finding the form of last year

5. I AM MADRIK - Remains barefoot. His last run is best ignored and he does seem to save his best for this course and he can score

6. IROS DU GOUTIER - Modest seventh in latest start but he was in good form before that and he could finish in the money once again

7. ISARIA DU GUELIER - Mostly modest form this year but did run third at this course in her penultimate start and could play a minor role

8. ILOA DES CHARRONS - In good form of late and is barefoot for the first this year. She looks likely to contest the finish once again

9. ISERIA DE PLAY - On a very long losing streak since only win and has been disqualified three times in four starts this year. Others are preferred

10. ICELIO D'HARCOURT - Ignore the last-start disqualification and he has been in fair form this year. Quite capable of winning this race

11. ILLUSION PIYA - Only modest of late but she does show speed so could be a real threat at this course. Deserves respect barefoot

12. IGOR DES MARAIS - Fair third last time out but he has yet to win a race and has struggled twice at this course this year

13. IPOLITE DE THIEZAC - Clearly has his issues with disqualifications and has built up a string of five of them this year. Best watched for now

Summary : I AM MADRIK (5) loves this course and his last run is best ignored. Capable of bouncing back to score. IMPALA PARK (2) has also done well at this track and is not out of it. ICELIO D'HARCOURT (10) has been in good form for most of the year so perhaps the last run is best ignored. ILOA DES CHARRONS (8) is barefoot for the first time this year and is holding form so deserves the utmost respect.

C5 - PRIX DE REIMS - 2700m (a1 11/16m) - National - Autostart - Class E - Harness - EUR € 21.000

1. **JASEUR** - Just the one win from eighteen but good last two and has each way claims on that evidence
2. **JOUEUR DU METZ** - One win from ten starts thus far. Can prove delicate but has talent and warrants respect
3. **JALDO D'OCQUE** - Has ability but remains a complicated and inconsistent horse. Many others make more appeal
4. **JUST FOR EVER** - Won two races at Cagnes sur Mer last summer. Well entered on the front row and has serious claims
5. **JAGUAR DELO** - A winner of two from six last year but disqualified on both outings this season and is hard to fancy at present
6. **JUST A DOLLAR** - Won one race last year at ninth time of asking. Posted a fine comeback at Nancy and should be fully fit this time
7. **JAZZ DU HOULET** - Not devoid of ability but remains much too hard to trust and is best to watch for now
8. **JACKSON MESLOIS** - Yet to win a race after fifteen starts but seldom finishes far from the action. Shortlisted
9. **JUS DE RAISIN** - Went off the mark on third attempt in June last year but has not been seen in action since then
10. **JAMES WORLD** - Has never hit the frame in eleven starts to date and looks hard to make a case for
11. **JACK LA FRIPOUILLE** - One win from thirteen starts and recent form is not inspiring. Others make more appeal
12. **JUSTIN DE VALMONT** - Useful dual purpose trotter who once again may find a couple too good. Place prospect
13. **JUPITER DU PERCHE** - A winner last year on fourth attempt. Showed improvement in last start at La Capelle but fully shod this time and is probably best to watch
14. **JEWEL BOND** - Won two minor events last year but was well beaten in only run this season. Has work to do

Summary : A sound winner at Le Croisé-Laroche at the end of last season, JUST A DOLLAR (6) posted a promising comeback run at Nancy and can make it back to the winner's enclosure. Both JOUEUR DU METZ (2) and JUST FOR EVER (4) have inherited good spots behind the car-start and can make their presence felt. A mention must be given to JASEUR (1) who has been in good spirit lately.

C6 - PRIX DU CROISE-LAROCHE - 2700m (a1 11/16m) - National - Autostart - Class E - Harness - EUR € 21.000

- 1. JOSEPHA MESLOISE** - Not devoid of ability but can prove tricky. Should make the frame if she can keep her stride together
- 2. JAVA PURA VIDA** - Three places from nineteen starts and although all shoes come off, will have her work cut out
- 3. JORIA MESLOISE** - Was a good second over course & distance three starts ago. Runs barefoot and can go off the mark
- 4. JACKIE D'HERTALS** - Won two races earlier this year and was far from disgraced in last two starts. Can be included in calculations
- 5. JUVENTINA DE LOU** - Consistent filly in this class of event. A good second at Vichy last time out and has every chance
- 6. JISKAYA DE CARSI** - Has yet to win a race after twenty starts but went well in only previous run without shoes and can be shortlisted
- 7. JESSAMINA** - Showed some good progress for new yard in 2023. Excellent last two runs in this division and is shortlisted
- 8. JANET JIEL** - Went off the mark at Le Croisé-Laroche in February but disappointed in two subsequent starts. Returns from a short break
- 9. JUSTINE GOBIERES** - Dual winner from six starts last year. Off since December but shoeing features suggests that she could be ready for a good run
- 10. JASSETTE DE ROCHE** - Erratic filly whose best efforts so far have been registered on turf and will have limited aspirations here
- 11. JALAYA DES BROUETS** - Went off the mark on second career start last year but has generally been regressive since then. Look elsewhere

Summary : Trainer Pierre Belloche has a strong hand in this line-up with both JORIA MESLOISE (3) and JOSEPHA MESLOISE (1) who are due to run barefoot. A slight preference is given to the former whose only run at the venue recently was a solid one. The consistent JUVENTINA DE LOU (5) comes in on the back of an excellent 2nd at Vichy and has strong claims on that basis. The progressive JESSAMINA (7) is worth a good look in.

**C7 - PRIX D'ENGHIEU - 2750m (a1 11/16m) - Class E - Mounted - EUR €
24.000**

1. INNATENDU STARDUST - Limited trotter under harness but posted a promising first effort in the Mounted discipline at the end of May at Arras. Can trouble the judges

2. INTERVAL TRAINING - Has shown little of note in two starts in this code thus far and is likely to make an impact at the business end

3. ISIS DU MONT - Fourteen starts maiden who is generally consistent but looks very vulnerable in a race of this nature

4. IN JEOPARDY - Very capable trotter in the Mounted discipline. Needed the run last time and should strip fitter this Sunday. Player

5. IDOLE DE NAVARY - Has run some solid races under harness at the venue before and can make her presence felt on debut under the saddle

6. IBILI D'OCCAGNES - Bounced back to form last time out after a couple of earlier sanctions. All shoes come off today and must be respected

7. IVOIRE D'ERPION - A winner of his last two starts in this code respectively in April and May. Looks to have every chance once again

8. ICALINE DIESCHOOT - Yet to win a race after twenty-one starts but always gives everything she has and can place

9. INDIANA DE BEAUM - A very consistent performer in the Mounted discipline. Should be closely involved at the finish once again

Summary : Winner of his two starts under the saddle in 2023, IVOIRE D'ERPION (7) has every chance of making the hat-trick against such a modest bunch of opponents. IN JEOPARDY (4) was clearly in need of a run last time out after five months off the track and should be much sharper this time around. IDOLE DE NAVARY (5) is an interesting first time starter in this code after some fair efforts under harness. The consistent INDIANA DE BEAUM (9) completes the shortlist.

**C8 - PRIX DE LA CAPELLE - 2750m (a1 11/16m) - National - Class D -
Harness - EUR € 23.000**

- 1. KAP PAASLOO** - Well tried this year and is on a very long losing streak since only win but did run well when third last time out and is not out of it
- 2. KRISTAL DES MOYEUX** - Remains barefoot. Fifty-one starts without a win but is always capable of playing a minor role
- 3. KAHIA DE LA CROIX** - Form has regressed of late and he is on a long losing streak since his last win. Others are preferred
- 4. KALIN DES CHAMPS** - Disappointing last run but has done better when barefoot and is barefoot this time. Could finish in the money
- 5. KADO DE VANDEL** - Remains barefoot. Disqualified in last start but did a lot better when third in his penultimate start and has a winning chance
- 6. KILOU D'YMER** - Has lost his way of late with two recent disqualifications. Capable of doing better but others are preferred
- 7. KABOBBY SANT** - Well tried this year without any winning success. Has done better in Mounted races this year and is best watched for now
- 8. KOELHO DE NAPPES** - Disappointing form of late but trainer is good and could be the surprise of the race. Can upset
- 9. KISS ME SIMON** - Remains barefoot. On a long losing streak since only win but is in good form and could be the one to beat
- 10. KATSUKI** - Good penultimate run when third and perhaps the last-start disqualification is best ignored. Has a winning chance
- 11. KEPI DEL** - On a long losing streak and has been moderate of late but could be a threat of allowed a soft lead barefoot this time

Summary : A very weak race. KISS ME SIMON (9) is holding form and could have the measure of this lot but seems to have forgotten how to win. KOELHO DE NAPPES (8) has been poor of late but can bounce back and surprise. KEPI DEL (11) could be a danger if allowed a soft lead. KATSUKI (10) comes here after a last-start disqualification but ran well when third in his penultimate start and has a winning chance.
