6 Bengan finished strongly in the Golden Division a bit behind the winner last time. Goes down a lot in class now. Our winner. **5 Omega River** was king of the hill last year after leading from start to finish in the Kriteriet. Seasonal debut, but if he finds the lead, he is an early contender. **3 French Kronos** won an easier race two weeks ago and was improved. **2 Cab Frontline** has a high minimum level but he has been a scratch before this race.

6 Tekno Jerven looked to be back in top form in the last race and with a similar effort he should have a good chance here. **3 Svarte Petter** scored a very good win two starts back, but was not as good in the last race. Barefoot now! **4 Nordby Elde** is the clear favorite for the lead in this race. He started as late as last Wednesday and should be improved by the tight starts now. **7 Järvsöodin** belongs to the absolute elite when he is at his best, but has not shown any top form so far this year,

5 Monte Rei has been heavily backed in both races this year but had to settle for a second spot both times. Is probably a bit sharper now after a training period. **10 Urgent Beat** showed last year that he has good capacity for this class and will be driven by Örjan Kihlström this time. **4 Keep Rolling F.** will probably need this run under his belt, but should not be overlooked thanks to his high basic capacity. **9 Nemesis Divina** was finished well in the last race but needs a bit of help from here.

6 Eld Prinsessa galloped twice in May and has had a break since then. Seems to be well prepared and is a very capable horse for this class considering the money she has earned. Our pick! **10 Pyssla** is a fast horse who put in a very effort after a tough journey last time. With the right trip from behind she will finish sharply. **5 Sol Flamma** galloped from the same lane in the last race. Early choice without a mistake from the start. **12 Guli Sanna** is a bit up and down but owns good strength. Possible if she lives up to her full potential.

Good starting position and this short distance is interesting. **3 Ajlexes Hans** followed well from the lead in the last race in a 10-time and is getting back into top form . **6 Diablo** is a strong and good horse but the form is a question mark.
