## RANK

**3 Specification** is our pick in this wide open race. He competed in the V85 last time but had taken two straight wins from the lead in April and May. Is our close favorite for the lead along with Stefan Persson. **2 Tacky Sugar** is trained by Daniel Redén and driven this time by Magnus A Djuse. Has made four starts in Sweden and should be on the rise. **5 Kiss Me Sisu** is very interesting in this debut for trainer Christoffer Eriksson. Tricky number but can open fast and Per Lennartsson is a good driver. **13 Dareios di Poggio** faces nice conditions money-wise but faces a tough handicap over the short distance. Hopes for quick pace. One of many contenders.

## RANK

**6 Here I Come** has started with two wins in a row and has done well. Won from the lead in the last race and certainly goes for that position again. Good chance from there. **2 Gloria Vendil** has done well at the end. Is fast from the start and won easily from the front two starts back. Should get a nice trip from here. **4 Stella Cadente D.E.** won from the lead in the last race and can open very fast. Should be considered early behind our favorite. **12 Snuggles** has a poor lane but comes from a second place in the comeback. Run under his belt and driven again by Magnus A Djuse. Probably bike this time.

## RANK

**7 Name That Boko** took the lead from the same lane in the debut and won straight away. Looked nice and should have a good chance again with Kevin Oscarsson this time. **2 Kassandra Zet** has been heavily backed so far and done well without winning. Driven this time by Magnus A Djuse. Circular start is a bit of a question mark. **6 Firestorm** followed well as second from the lead in the last race and looks to be on the rise. Should find a good position from this lane and is a contender with the right trip. **11 Sherburne S.** has only one win in 15 starts but returns here for new trainer Christoffer Eriksson. Hard to predict of course but competes barefoot and is driven by Per Lennartsson.

## RANK

**6 Neil Jung** has won two of seven races and gets our pick in this stayer race. Did well as second in the last long distance race. Good chance. **4 Al's Mazzimo** is much better than the latest results show. Has a good draw and should be considered early. **10 Puttinneutral** was heavily backed in the last race but galloped. Had been good as second and third before that and is driven this time by Magnus A Djuse. Early choice. **12 Bear Victor** has won two of seven races this year. Comes from a fourth place despite galloping over today's long distance. Stefan Persson is the driver now. Should not be discounted.
