9 Mayar Al Khalediah comes from a fifth spot and was clearly defeated in the Derby for Arabian horses on the French track of Chantilly. Met very tough opponents though and put in a good effort. Should be the horse to beat in this President of the UAE Cup. 1 Rasmy Al Khalediah was clearly beaten by stable companion Mayar Al Khalediah in France. Was just a couple of lengths behind the same horse in the race before. Main challenger. 3 Ayman comes from a convincing victory in Wathba Stallions Cup and unlike his Polish opponents he is used to today's conditions. 8 Mohaymin was just closely beaten by Ayman in the seasonal debut. Could score a place here if improved.

3 Camacha was second to Tiny Dancer in the debut and just closely defeated. Is ridden by Oliver Wilson today and also with side winkers. Our pick. 1 Stargaze scored a shared victory together with Penny in the debut after a tight finish. Ran outside of the latter one but is better drawn today. 4 Penny scored a shared victory together with Stargaze in the debut and was brave. Will challenge the stable companion again here. 2 Appelaia has a good origin but the chances are not easy to predict in this debut. Typical outsider.

5 Gold Tyranny did alright in the seasonal debut on Klampenborg and should be improved. The gelding has won this Derby Day Summer Cup the last three years and is our pick here. 4 Sel Sea has been improved as a four-year-old and after the victory in the seasonal debut he put in a strong effort over today's conditions. Main challenger. 3 Xcalibur beat Sel Sea with a close margin two starts back but faces tougher weight conditions now. In the mix. 1 Jet Action won the seasonal debut and scored a nice third spot in Oslo Cup in the race after. Possible here but has earlier not convinced on the Jägersro dirt.

2 Stormy Ocean had four straight wins before finishing third in Pramms behind top horses Jazz Explosion and Duca di Como. Much easier opponents in this Malmö Sommarhandicap and this 1730 dt is perfect. Top chance. Banker. 8 Plantstepsdream has been consistent and good but faces tougher weight towards Stormy Ocean since their latest meeting. Main challenger anyway. 7 Auenfürst could not live up to the expectations in the last race after a promising seasonal debut. Will probably need more time to grow into this class. Place chance. 4 Beach Road One faces better weight conditions towards Stormy Ocean since their meeting in Pramms. Could be in the mix here.

3 Herewegodandy got a ride from far back in the last Norwegian 2000 Guineas and never really had a chance on the home stretch either. Won Manoustie-race last year over these conditions and is our pick in this Derbysprint. 10 No Nay Naughty won directly in the seasonal debut and was just closely defeated by Herewegodandy in Manoestie-race last year. Early choice despite this poor draw. 5 Reunion Island got defeated by No Nay Naughty in the last race over the short 1000 dt. This longer distance is an advantage. Possible challenger. 2 Brazen Brazze is developing well and could be an outsider here.

4 Noble Justice faces very nice circumstances in this Malmö Stads Pris but has only competed on turf. Should handle the dirt seen to his origin but it is a question mark anyway. Our pick. 7 Noifsandbuts was not fit in Voter-race. Scored a convincing victory after that on the Klampenborg turf and should be considered early. 6 Magic Rock is undefeated so far after two attempts against easier opponents. Should be on the way up and has to be considered early. 8 Archimedes Face was improved with blinkers in the last race and scored a comfortable victory. Should not be overlooked if the gelding is even better today.

Is good on the Jägersro dirt too and should be considered early. 4 Nouvelle Lune won directly in the seasonal debut but was only third in Erik O Steens Memorial. Came in first in this race last year but got relegated after a jostle in favor of Queen Rouge. Main challenger. 7 Marta was third in this race last year and only defeated with one length. Showed great form in the last race. 3 Buckybabe likes these conditions a lot and could cause a surprise if she handles the Jägersro dirt.

10 Laguna Seca comes from victory over these conditions and led from start to finish. Was allowed to dictate the pace for a while though and is not always reliable either. Our pick anyway. 11 Apple has not convinced so far in four starts on turf this season. Might prefer dirt and is a possible outsider. 8 Sadlers Man scored a strong victory but as the favorite he got clearly defeated in the race after by an outstanding Chatarina. Should be considered early in this company. 7 Single Malt never had a chance just like the rest of the field behind No Short Cuts in Derby Trial. Easier opponents today and should be followed here.

7 No Short Cuts is undefeated in Malmö after three attempts and scored an outstanding victory in the general rehearsal. Should be even better now in this Derby and the US-import has top chance to win this. Banker. 5 Wolf of Vancouver was improved a lot before Voter and could score a comfortable win at the end. This longer distance is probably not an advantage but he is the main challenger anyway. 2 Pusjkin beat Wolf of Vancouver in the general rehearsal before Voter but could never threaten him in the main race. Scored a nice second spot though and will be in the mix here. 9 Palm Springs is almost as good as Wolf of Vancouver and Pusjkin and has place chance here.

Top chance in Zawawi Cup. Banker. 8 Duca di Como comes from victory in Challenge Stakes on the Bro Park turf after failing surprisingly in both Spring Mile and Pramms. Good chance even if this shorter distance is a question mark. 2 Mountain has been improved a lot in the last two starts over this 1200 dt. Outsider. 1 Gulfstream Tiger met too good opponents in the last race. Place chance here.
