8 Haga Modde has shown good form this summer and won after a strong finish in the last run. Tougher task now but our pick. 13 Guli Fantom gallops a lot but when he avoids a mistake he uses to fight for victory. Has good speed for this class. 7 Fräcke Prins is better than the latest results show and faces nice conditions here. Should be followed. 12 Zargo came back strongly after an early mistake two starts back. Won the latest start over the long distance.

4 Divane Godiva made her debut for Daniel Wäjersten in the last run and finished well when she found room after an inside journey. She should be better now. 11 Global Collection had a strong season last year as a four-year-old and seems on the way up again. With the right trip she could score the first win of the season here. 3 Alexi Quick finished third in the last run and was improved. In this open race for fillies and mares she should not be overlooked with this nice number. 5 Island Smart was brave in the lead two starts back. Will go for the front again.

3 Farmens Riska is chasing the fourth in a row. Faces nice conditions money-wise and even if she meets several good opponents she should have a good chance to lead this throughout. 13 Alfa Lina has shown good form this summer. Many handicaps now but with the right journey she could defeat many horses. 12 Ragnhild W.M. has a tricky inside number and a 60 meter handicap. Is fast enough to put in a strong final lap with the right trip. 15 Hulte Annika had energy left on Hagmyren on July 29th. Scored a sensational win in the V75 before that. Has to be considered early.
