5 Eagle Rock has met tough horses and done well. This long distance is an advantage and he should have a good chance. 1 Bowler Day is the only horse in the first circle. Will find the lead and should be considered there. 2 That's it should be able to get a nice defensive journey here. Early contender with the right trip. 7 Oskar Run does not win very often but has good skills and if he lives up to his capacity he will be in the mix.

5 Global Destiny galloped twice in the last run but showed good speed in between. Early choice without a mistake. 6 Moses di Quattro comes from victory and is in good shape. Can do it tough and should be considered early. 12 Winsalot comes from a good third spot and showed fine form. Tricky number but early choice with some racing luck. 11 Qillerbee has only one victory in seven starts but owns really good speed.

2 Jannah beat easier opponents two starts back and comes from a race in the V75. Should have a good chance again here. 5 Charming Lane has been up and down lately and the chances are not easy to predict. Main challenger if she is at her best. 11 Amour a Belle finished strongly to a nice victory in the last run. In case of quick pace and with the right trip from the back she is possible again. 8 Cheri Cheri Lady has done alright lately without winning. Will get a defensive trip here. Outsider.
