2 Penelope Boko has only started twice and is coming off a surprising win. Was really good then and has a nice lane here. Good chance.

1 Simb Teafortwo has not won yet after seven attempts but comes from two second places. Can open fast and is our favorite for the lead.

11 Nordic Choice won with today's driver Mats E Djuse in August. Poor lane but the Westholm stable has shown very good form of late.

12 The Pope won in his debut. Has been heavily backed so far and should be considered early despite this poor starting position.

9 Melina Havelock is the least experienced horse in this field but we think she has a good chance here. She was brave in the last race and is driven again by Magnus A Djuse. **7 Gladiator** comes from three good performances but has had a short break now. Can open fast and should reach a good position in this race. **11 Justcantgetenough** has three second places in four starts. Has a poor lane but with the right journey he is a contender. **10 J.J.Ice Cream S.J.** has taken two wins in five starts in Estonia. Makes his debut in Sweden and the chances are a bit hard to predict. Can't be discounted.

7 Fair Trade has a nice task here. He has won three of seven races this year and we hope Anders Eriksson can find the lead from this lane. Good chance in that case. **3 Myspirit** was second behind Okaleia Boko in the V75 at the beginning of August. Early choice here with a similar performance. **11 Lilly Avant** comes from Svante Ericsson and is interesting here in the debut for Mattias Djuse. Is good for this company and has to be considered straight away after a longer break. **15 Indigo Brick** earned the most money last year and has done well this year as well. Was second behind stable companion Quinan Tooma last time. Possible but tricky number.

9 Henessi Joyride is the only three-year-old in this race but our pick anyway. Has won five of nine races and put in several good performances. However, she had no chance in the last E3 final. **6 Youcan'taffordme** has not won yet this year but could be interesting here. She is a quick starter and our close favorite for the lead. Early choice. **7 Fashionable Dance** is in good form. She can open fast and should reach a good position despite this starting position. Contender. **4 Ronja Muscles** was second behind Grazzhopper in the last V75 race. With a similar performance she is of course an early choice in this company too.
