6 Moni Talks has improved a lot for Christoffer Eriksson and was heavily backed in the last V75 final after many nice performances. Was not at her best then but steps down in class here and should have a good chance again. **1 Bella Yankee** has also impressed recently, including a second spot behind Pivot Express in the last V75 race. **4 Gold Man Fi** is only three years old but has shown good speed resources. **3 Winner Tilly** owns good strength and could get an offensive journey here.

5 Pure Color impressed with two straight wins and started as a favourite in the last E3 Chancen but was not at his best at Örebro. Faces perfect conditions here and probably finds the lead where he loves to run. **3 Twigs Like U** has not raced for a while and been a scratch this summer. The capable four-year-old will need this race, but has enough good capacity and should be considered despite this break. **6 Jula Redmile Champ** has shown really nice speed resources and is developing with each race. **2 Mr Gaagaa** is better than the latest results show.

2 Cabouy has developed a lot and scored a couple of impressive wins. Came back really well in the last race and the Googoo Gaagaa-son has a nice task here as he should easily take over the lead. **7 Nice Run** is much tougher than our pick and benefits a lot from this small field. He has good speed and can do it tough as well. **10 Patriot Zon** met too good horses over the wrong distance in the last race. Better conditions now and has a run under his belt. **6 True Blue** is not bad if she lives up to her capacity.

6 Patton has now got two runs under his belt for the new trainer and the five-year-old gelding has put in strong performances. Finished fast last time and is our pick here. **5 Attitude Superb** held strongly from the lead in the last race and now he is competing barefoot and with ear plugs for the first time! **2 Mondo Diablo** owns high capacity but the four-year-old is a bit up and down and the form is not easy to predict. **4 Julia Menuncio** is much better than the results show.

Quick starter and should find a good position. **5 Dart Kronos** owns high capacity but has not shown the right form in two races after the break. **4 Peter Pan** is fast and strong and good for this context, but usually needs a run under his belt.
