5 Omar Newport made his debut for Søren Johansson in the last race but galloped. He has shown the highest capacity so far and competes with an American bike now. **7 Lady Laser** has been competing successfully at Nyköbing Falster lately. Short distance is an advantage and the horse should be considered early. **8 Mack One** scored a really good win this spring. Interesting with Birger Jørgensen this time. In the fight for victory. **6 Kozmo Von Hyrdehøj** still hasn't won after twelve starts but has been putting in consistent and good performances. Possible.

4 I'monthephoto likes to race at Odense and seems all-round. He is all-round and even if he hasn't started for a while he should have a good chance. He is a quick starter and is guaranteed a good position. **6 Influencer** had a poor starting number last time and never really got a chance. Different conditions this time and early choice. **1 Kew Gardens** is not reliable but owns good speed and without a mistake he will be in the fight. **5 Cruzado Oscuro** scored a good win in the last race but faces tougher opposition this time.

Good starting position and good chance for Rene Kjær regardless of journey. **3 Eva's Yankee** has not convinced lately but owns good capacity. Early contender. **6 Jane Hall** likes this distance and despite this lane she has to be followed. **5 Enforalle P** beat Eva's Yankee three races ago and can do it again.
