RACE 1 — V4-1 — Auto 1640

3 Julia Menuncio has put in good finishes for a long time without winning a race. Perfect draw and this task looks really nice. **5 Tenoutoften** is a quick starter and if he finds the lead, where he has been at least second in seven starts, he will not be easy to beat. **8 Eva's Yankee** finished quickly when she found room. She has to be considered with the right trip from behind. **9 Jaxon Schermer** had energy left in the last race. Likes these conditions but needs a bit of luck from behind.

RACE 2 — V4-2 — Auto 1640

4 Bravo Chico finished well in the last race and is better than the latest results show. A good horse who will be exciting to see over the short distance for the first time. **5 Princess Beluga** likes these conditions. The filly opens fast and when she finds the lead - where two of her four wins have been taken - she will be hard to reach. **11 Old Maid Boko** is starting to get close to top form - and in case of quick pace she will sprint fast at the end. **9: Teton Hillcon** is up and down in his performances. Fast sprinter with the right trip.

1 Hipster K. won easily from the lead in his comeback last time and in that position four of in total six wins have been taken. Good chance. **4 Monster Wine** is starting to get close to top form. Has earlier won both over this distance and together with trainer Gustav Johansson. **6 Utah Southwind** is possibly better over longer distances, but if the pace is high he could be in the fight for victory. **8 Eddie The Eagle** is good for this class but still chasing the first win of the year. Has to be considered despite a poor starting number.

3 Jayden De Joudes has done well lately and should be considered early. Not a quick starter, but uses to finish fast. Our pick in a wide open race. **1 Libertad** is well drawn and goes for the front. Leads the race for a long time. **6 Global Empress** was not at her best last time out but is working well before this race. She is now driven with an American bike which is a plus. **7 Heavenly Flavours** has won two out of three races over this distance. The form is hard to predict, but normally the horse is in the mix.
