1 Kiwi Sisu won easily against similar horses in the last race. Tricky lane here but in a fairly small field he should find an opening in time and then he will be hard to beat. He loves the ice track and has five wins out of six. **2 Yara Dream** was as heavily bet as the favorite in the last race but was really weak. Better now? **6 The Oak L.A.** was not optimally prepared in the last race and should be improved by that run under his belt. **4 Soccerbox** is gifted in bright moments but returns after a break now.

11 Mira Kiro put in a strong finish last time against quite tough company. Tight starts and should be on the way up. Our winner. **2 Mälarstens Sagari** is very consistent and finished with some energy left in the last race. Nice conditions and the leader of the race. **15 Källsjövik** has a tough task, but looked in good shape in the last race and likes to be driven by Ove A Lindqvist. **5 Mo Tor** has two runs under his belt and is getting closer to top form.

6 Andiamo has been competing in tough companies recently and scored a V75 win earlier this autumn. Met too tough horses after that but won in fine style again in the last race. The five-year-old is strong and fast. Good chance. **12 Ja Ba Da Ba Doooo** finished fast and beat Diablo two starts back. Aiming for Umåker on December 25th and might get a defensive trip here. **5 Icebreaker Sisu** shows good form, can open quickly and should get a nice trip. **1 Juan Sisu** looked in good shape last time as locked in.

13 Venom has been heavily matched so far. The Power son faces interesting conditions here and with the right trip, he could score his first win of the year. **14 Healthy Meal** has started her career very promisingly. She is good for this class and even though she might need this run under her belt, she should be considered early. **6 Derby Broline** returns after a break but had performed strongly before. **5 Uno** is strong but does not always trot perfectly. Has to be considered if he avoids a mistake.

9 Fructose showed the right attitude in the last race and won closely but comfortably. He has been aiming for the winter season and six of his eleven career wins have come on the ice track. On the way up in form. **11 Guenerina** did alright but can do even better than she showed last time. However, the horse had to adapt to ice and spikes and is certainly improved now. **6 Husavik** is in good form and with the right trip, the four-year-old is an early contender. **10 Gastronomy** has shown good form for a long time.

Leads for a long time. **6 True Exception** is not bad at all for this class and did well in his debut on the ice track last time. **13 Humble Stance** has not raced for a long time but is reported to be training well.
