10 Åsrud Jerven has been the most successful horse this year with eleven wins in 23 starts. He is coming off four victories in a row and should have a good chance again together with Örjan Kihlström. **8 Friska Viljan** is an early challenger. He has shown good form of late and will probably be driven offensively from the start and might find the lead. **7 Per Viking** has not won for a long time but was somewhat improved last time together with today's driver Kajsa Frick. Can open fast. **9 Py Bläsen** has been quite consistent and good of late and is driven this time by Mats E Djuse.

11 Super Queen B.S. has taken three wins in eleven starts and has been consistent and good at the end. Driven this time by Örjan Kihlström and our winner in a race for fillies and mares. **10 Howtoreach W.F.** has not won yet after nine starts but done quite well lately and in this field she should be considered early despite this number. **3 Prevail'em** is also without victory after eleven attempts but is getting closer to her first win. Has four second places this year. Good lane. **4 Tight Reins** comes from an easy victory in a low class race and is this time driven by Magnus A Djuse. Interesting of course.

12 Mellby Minerva has started brilliantly with five wins and a second place in the first six starts. Not as successful towards the end but is facing easier opponents now and gets the tip despite this lane. **6 Livin High Sisu** also stands out a bit. Driven by Rikard N Skoglund here and could take the lead. Early choice. **3 Myth's Legacy** won comfortably from the lead in September. Can open fast and should get a nice trip here. Mats E Djuse this time. **1 Edlas Thunderbolt** has had a pretty good season and is better than the latest results show. Interesting lane.

6 Rya Håleryd is our idea in this tricky race for fillies and mares. Has shown good form towards the end and was third in the V85 last time. Easier horses this time. One or many! **10 Freccia Laksmý** comes from the Gocciadoro stable. Has now made two starts in Sweden and was strong as second last time. Early choice. **3 Izola Silvåkra** is better than the latest results show and our close favorite for the lead. Should not be overlooked. **5 Legacy of Sound** has earned the most money this year and is also clearly better than the latest results show. Got locked in after an inside trip in the last race.
