## RANK

**4 Elite Stjernen** was completely superior in the last race and with a similar performance this time the five-year-old will be hard to beat again. Our pick. **5 Huseby Sirius** put in a strong final lap in the last race behind Elite Stjernen and if things go wrong for the favorite, Helene Kolle's horse could be the winner. **6 Lættis** is very consistent, but does not always show the right attitude. Early contender behind the favorite. **7 L.D. Odin** has won eleven out of 36 races, but this time he is primarily a place bet.

**4 Seles Tequila** can open fast and is our favorite for the lead and from that position the mare will not be easy to reach. **6 Schwaben** is still without a win, but with the right journey, he is good enough to fight for victory here. **3 Tangen Rigel** won comfortably in the last race and showed that he is in top form. He will be in the mix from a good starting position. **1 Nordby Eng** is consistent and good and should be considered if he finds room in time at the end.

**4 Escobar Face** is still without a win, but after several nice efforts the three-year-old now faces a very appropriate task. Wire to wire! **5 Euro S.L.** was outstanding two starts back and with a similar performance now he should be seen as the biggest threat to our pick. **6 Nikita B.R.** has high capacity but is not reliable at all. She will be in the mix if she manages to avoid a mistake during the whole race. **8 Kilifi** is consistent but disadvantaged by this poor lane.

**2 Keep On Dreaming** won in the last race despite a tough trip from the outside of the leader. He made a really good impression and has the best chance to win this race from a perfect starting position. **1 Trixie Sun** has three runs under his belt after a break and is starting to get closer to top form. Could surprise from this inside lane. **7 Milltribute** is coming back after a long break from racing. The four-year-old is good for this context and should be considered despite the layoff. **8 Surtsey S.I.R.** earns quite good money but is mainly a place bet here.

**5 Sitje Svarten** owns nice speed for this class, but is not entirely reliable. If the eight-year-old avoids a mistake, the others will be fighting for the second place. **2 Brazze Best** is strong and tough and should the favorite make a break he is a hot candidate for the win - especially if he could find an early lead in the race. **10 Vimo Borken** had to qualify after a couple of gallops. Speedy, but not reliable at all. **9 Hå Iris** is consistent, but only an outsider here.

## RANK

**5 Odd Viking** was really good in two races in a row in October but has galloped in two out of three races since then. If he avoids a mistake, he is likely to win this race. **4 Glazier's Vici** got a run under his belt in the last race and will be improved for this race. Early challenger for the win. **1 Herecomes Gardenia** is a quick starter and if Tom Erik Solberg could reach the front, they will lead the race for a long time. **2 Marengo** has a good starting position and should not be underestimated.
