7 Gladiator S. has made two starts for Johan Untersteiner after a break and should be on the way up. Third in the last race and a good chance to take the lead here. **1 True North** was third in his debut for Christoffer Eriksson last time. Scratch due to fever after that and this number is a bit tricky. He is one of the better horses here and an early choice. Trainer-driven now. **10 Leopard Rock** is a stable companion to our pick and he has also made two starts for his new trainer. Third behind Iza Teemer in the last race and looking for revenge. Driven by Peter Untersteiner now. **9 Iza Teemer** took a sensational win in the last race after a trip from the pocket and the open stretch. Will probably get a defensive journey again. Should not be forgotten.

2 Rhiannon could be the best horse in this field but has not raced since August. Won with Tyler Mifsud two starts back and is our favorite for the lead. **6 Divora** makes her debut for Valentin Prevost. She has competed against tough opponents at Solvalla and is facing much easier conditions now. She has had a long layoff though. **1 Lovely Laura** has a bit of a tricky number but is still interesting here with Johan Untersteiner. Possible with the right trip. **3 Norton Pride** is not bad at all and he has got a good number. Early choice with Karl Stolt.

3 Kiss My I.D. won four out of ten races last year and is really good for this company. Galloped directly in the last race and has been a scratch for fever afterwards. Is fast from the start and will challenge for the lead. **2 First For Me M.H.** has a slightly better lane than our pick and is therefore our initial favorite for the lead. She wins quite often too and is making her debut for a new trainer after a layoff. **1 Getting Rid Of** is often heavily backed but doesn't always live up to the expectations. The Untersteiner stable has shown hysterical form of late. Tricky number. **9 Maranichi** won five of twelve races last year and is also good for this field. Tricky number but starts behind a fast horse. New driver.

7 Devs Donator has a nice task here. Comes from a couple of V85 races and faces easier horses this time. Quick starter and our favorite for the lead. Could lead this throughout. **8 Yantra Slave Cal** faces good conditions and comes from a couple of really nice performances. Is strong and should be considered early. **9 Go Kenneth Go** earned the most money last year. A bit tricky number here but belongs to a stable in top form. Possible with the right trip. **5 Careful Dream** doesn't win very often but has shown good form of late and is one of many contenders behind our favorite.
