6 Coutinho has galloped in three out of the last five starts and is not reliable. Avoided a mistake in the last run and won then. Good chance without a mistake. 2 Boston Bore is not reliable either and has not won for a while. Has good capacity though and is an early choice without a mistake. 7 Digital Process won easily in the lead two starts back and came back well after a mistake in the last run. 5 Quarcio Ducal has only been racing under the saddle lately and galloped a lot. Sulky now and early choice without an error.

1 Princess of Aloha has not directly impressed so far but she is quite speedy. She faces quite easy opponents here and should have a good chance. 4 Papa Crowe galloped in the last V75 race. Much easier opponents this time and without a mistake he has to be considered. 3 Dreamonspirit galloped directly in the last run and never had a chance after that. He is better than the latest results show and should be followed in this company. 10 Go for Fun has not won for a longer while and has to be improved. Possible.

7 Digital Data is the best horse in this field. Can open fast and should have a good chance to find the lead. He will normally be hard to beat. Top chance. Banker. 8 Dontloosemate made an early mistake two starts back but did well in the last run after a defensive trip. Challenger. 6 Prototype Hanover has quite good speed and with the right trip the horse could be in the mix. 5 Silver Glen has not convinced lately but can do better and has place chance.

8 Upontop has three runs under his belt after a break and should be improved a lot. Our pick despite this number. 10 Olympic Blue Chip found the lead but gave it away in the last run. From third on the inside he kept up the pace well then. 6 Maggan Håleryd has not been very successful lately but she is good for this class. 9 Justina has got a nice number and will go for a defensive trip. In that case she is possible here. Typical outsider.

10 Run Brodde Run finished well from third on the inside in the last run on the double open stretch. Is in great shape and with some racing luck he is our pick here. 9 Nairajah is really speedy for this class. Will normally fight for victory here. 4 Zodiac Dany Grif has not competed for a while and might need this one to be at his best. Early contender anyway. 6 Commendatore is better than the latest results show and should be considered early in this company.

2 Stand by Ken has put in a couple of good performances lately without winning. Perfect number and our winner. 6 Ibelieveinamerica won easily under the saddle two starts back and finished alright in the last run from far back. 1 Roofparty is a quick starter and should reach a nice position with this number one behind the gate. Early contender here but needs some racing luck during the final lap. 8 Adiago Trot has not impressed lately but is fast. Back row drawn but possible with the right trip.
