Ridden race. **12 B.W.Sture** has been very consistent and good under the saddle and scored a good victory two starts back. Nice chance again. **13 Wilda Fille** was not at her best last autumn but he likes this discipline and is interesting in this comeback. He has to be considered directly. **9 Solkongen** had had a long break before the last race. Finished well from third on the outside and should be improved by that run. **11 Bonaldo** is consistent and good. With the right trip he could be an outsider this time.

3 Håna Am faces nice conditions here. He took over the lead after 500 meter two starts back and won easily. Nice number and faces quite easy opponents here. 5 Bitchie was too fiery in the last run and gave up at the end. Has otherwise shown good skills and could score the first win soon. 11 New Young is not bad and is an early contender in case of over-pace. 8 V.G.'s Enjoyable resumes from a short break. Should not be overlooked but needs some luck with this number.

9 Empty the Tanks is our pick in this open race. He comes from victory directly after a longer break. Is on the way up. Good chance. 6 Applejack Mile has been consistent and good. Got a tough final 650 meter in the last run and gave up at the end. Early contender. 7 La Mauresque is a bit up and down but is quite speedy for this kind of races. Has to be followed. 5 Souzy does not win very often but is quite fast. Outsider with the right trip.

Volt 1640

1 S.K.'s Ariel took over the lead with 1400 meter to go in the last run. Did not look perfectly at the end though. Has good capacity and is our pick. 10 Mons is interesting in this debut for Daniel Reden. Has won seven out of 14 races so far and shown good speed. Early choice. 4 Heas Prinsessa is a nice mare who has been at least third so far. Tougher opponents now but she should be considered early. 7 Eld Tekno resumes from a long spell. Might need this race but is good for this class.

Volt 1640

6 Malkin scored a strong win in the last V75 race. Faces easier opponents now but needs some racing luck anyway with this 20 meter handicap over the short distance. 2 Choco Garline is speedy and should avoid a mistake with this nice number. If he finds an early lead he could be hard to reach here. 7 Lyx Håleryd has been consistent and good against tough horses. She could get a nice trip here and has to be considered early. 4 Mio Flash is really good every now and then. Good place chance with the right trip.

4 **Kenzoki Boko** looks a bit slow every now and then but faces nice conditions here. Should get a nice start here and can do it tough. Our pick. 1 **Excalibur Zet** should be improved by the last seasonal debut. Is not reliable but without a mistake he should be in the mix here. 13 **Super Cheese L.W.** has been competing against tougher opponents lately and is not bad every now and then. He has to be followed in this open race. 14 **Like a Monster** is an outsider but the form is a question mark.
