**7 Big Ben Pellini** is a five-year-old who was matched in tough company all season last year and put in strong performances almost every time. Here in the seasonal debut the opposition is quite easy - good chance. **5 No Talking You** has started more frequently lately, unlike our pick, and comes with fine form. Was strong in the V85 and looked great again in a lunch race last time. **8 Joint Chief** has a really high top level but does not reach it very often. **3 Västerbo M.A.S.H.** finished clearly positive in a tough V85 final last time.

**5 Owen Bros** has shown nice speed resources for this low class but perhaps hasn't performed as expected. Debut for a new trainer and certainly well prepared. **2 Goo Solo T.H.** took the lead in the first turn in the last race and won very easily in nice style. Jepson and first time with a whip - plus. **7 Sauron Zon** was allowed to dictate the pace in the debut but won very easily too with energy left. Not reliable, but is Goop's pick out of two horses. **1 Times Like These** is developing nicely and has put in two strong efforts.

**5 Camelia** has taken another step during the break. Has put in many strong performances and in the last race from the lead she was completely superior taking the first win of her career. Quick starter, nice conditions and in fine form - good chance. **4 Nigel Fortuna** finished strongly in the comeback in the last race. Capable for this class and good for this company, especially with the last run under his belt. **7 S.G.'s Shy Poet** scored a couple of splendid victories last autumn. Seasonal debut and a tricky lane, still an early choice. **10 Dencosdancingqueen** is in good form and driven by talented Wilma Karlsson.

**12 Laprisamata** has developed tremendously lately and takes really strong steps every time he enters the track. Scored a good second spot behind Gliding Eagle last time and the horse got locked in before that in a bigger race. Much easier now. Top chance. **1 I Choose You** has been in the running for a long time. Nice conditions. Challenger. **11 Waitingashell** finished strongly in the last race. Interesting starting position here and Jepson is back on the sulky. **7 Mr Birdman** could fight for victory if he lives up to his capacity.

**5 Brigo** got a tough journey on the outside of the leader but, considering the long break, held strongly to a third place. Should be improved now and is our pick. **4 Game Changer** showed good skills when he took two wins in a row last summer. Since then he has not competed a lot. Has to be considered straight away. **2 Entertainment** held strongly from the lead in the seasonal debut and got only defeated by a horse on the open stretch. **8 Petite Sirah** has shown good speed and is also an early choice here.

He can open fast and likes to run in front. **5 Keep Loving You** was strong in tough company at Solvalla in the last race. Tight starts are a big plus. **8 Arnie Silvio** was extremely good when he won two starts back. Is in good shape.
