## RANK

**6 Max Million** comes with two wins in a row. Got a good trip last time but decided in a nice way. Will probably get an offensive journey here and we think he will take the lead. Difficult to beat in that case. **5 Exile On Main St.** has also started well. Won at this track two starts back and finished third last time. Early challenger. **3 My DX One** was second in the last race behind our pick Max Million and did really well. However, he has been a scratch after that. Is now driven by Linus Lönn. Has to be considered behind the favorite. **8 Macho Cabrio B.B.** is clearly better than the latest results show and has taken two wins from the lead so far. Tough lane.

**4 Sven The Forestman** only competed once last year but has two runs under his belt now. Scored a good win from the lead last time and we think Ulf Ohlsson reaches the front again here. Good chance in that case. **5 Ki Ti Vi** has only one win in 29 starts but earned the most money last year. Is well drawn here and could be a challenger. **10 Don't Thell Me** comes from a good second place and was not empty at the end. Seems in good form and is driven again by Magnus A Djuse. **12 Bengt** has eleven wins in 33 starts. Has been quite consistent and good at the end but needs of course some racing luck from this lane.

**5 Take Him Sober** has met too tough opponents lately but has a nice task here. Won from the lead in November and we think Magnus A Djuse will go for that position here too. Good chance in that case. **12 James Bay** faces the best conditions money-wise. Has got a run under his belt and should be on the way up. Took two straight wins this time of the year last season. Now driven by Mats E Djuse. **8 Västerbo Pentax** is better than the latest results show. Needs a bit of luck from this number. Fredrik Plassen is driving this time. **1 Skilling Banco** comes from a sensational victory in the V86. Run under his belt and Ulf Ohlsson now but where do they end up from here?

**3 Eva Kant Gar** was fourth in her debut for Fredrik Wallin last time and did alright. Certainly improved by that race and is driven this time by Magnus A Djuse. Gets an offensive trip? **2 Tumbling Dice** has done quite well of late without winning. He is a quick starter and has an excellent lane. Will find the lead again? **6 Jopp** is not bad at all and seems in pretty good form. Driven this time by Mika Forss. Possible. **1 Flys Punk Rocker** comes from a good second place. Driven by the trainer this time. Where will end up from here? One of many contenders in an open race.
