5 Mellby Mowgli had a brilliant season last year with many strong performances. Interesting seasonal debut here and although his form may not be at its peak, he is capable enough to win straight away. **6 Olli Boko** is also making his seasonal debut. Owns great capacity and he has won three out of four starts after a long layoff. **4 Leo The Leo** has had difficulty finding his way back to the right level, but the last race was a clear improvement. **2 Dostojevskij** won easily from the front in the last race and is in on the way up, However, he faces tougher opponents this time.

6 Monster Mitchi scored a strong second spot behind Önnes Eldner in the last race and showed good speed over the home stretch. His form is top and this task looks really nice. Perfect number and Fredrik Fransson should have top chance here. **7 Önnes Eldner** faces a 20 meter handicap from a tricky starting position over the short distance. However, the four-year-old has the right attitude. **5 Brenne Maja** is speedy and has shown fine form. Interesting together with Rikard N Skoglund now. **2 Soleika H.L.** was good straight away in the last seasonal debut .

Hard to beat from the lead. **6 Fulmine Degli Dei** disappointed in the last race but he attacks from behind this time, just like when he scored his previous wins. **7 Djuse** has come back really well for the new trainer. Has put in two strong performances and is on the way up. He has to be considered early. **3 Storma** is fast in the circular start and will get a nice trip.

Is a quick starter and from the front he is the horse to beat. **3 First Class Flight** was improved a lot barefoot in the last race and is an early choice in this field too. **9 Alberdi Wine** met tough opponents in the last race won by Facetime Dream. Easier now but needs some racing luck from this lane. **12 Ciao Broline** is good for a race like this and should be considered early despite this number.
