4 Tangen Julius is our pick in this rather tricky cold-blood race. Has been really good this season and is our close favorite for the lead. Now driven by Tomas Pettersson. **5 Kjempa Re** is clearly better than the latest results show. She faces perfect conditions as a filly and earned the most money last year. Galloped in the comeback last time. Driven by Stefan Edin . **8 Norbalder** has a poor lane but can open fast and likes to be driven by Marcus Lilius. Took a shared victory with Bleke Best in January. **12 Bleke Best** was second from the lead in the last race in Norway. Took a shared win with Norbalder in January. Should not be overlooked despite this lane.

1 Ove Schermer faces tough conditions money-wise here but has a good chance anyway. This winning machine won directly last time for his new trainer Oscar Berglund. Should be even better now and is driven by Magnus A Djuse. **4 Timotej's Nicetime** has faced quite good opposition towards the end and done well. Was fifth in the last V85 race and can open fast. **11 Tulinas Eddie** was not empty in the last race after an inside trip. Two wins in a row before that and the form seems to be top. Nice conditions but tough draw. **5 What A Magic** had a pretty good season last year and has started well this year too. No chance in the last V85 race but early choice behind the favorite here.

5 Karlängs Jerven is not reliable at all but owns good speed and if he avoids a mistake we think he has a good chance of winning this cold-blood race. **11 Edla Karma** has also struggled a lot and galloped on his way to good results. Jomar Blekkan is driving this time and they should be considered early. **12 Lundåsens Linus** has done well in three starts this year. Won at this track two starts back and is an early choice despite this double handicap. **13 Heike Fra Skaråsen** has only raced once in Sweden and then he won with today's driver and at today's track. Possible here as well.

2 Crowe Motion had a brilliant season last year and won straight away in the last comeback race. Should be on the way up and has a nice lane. Good chance for Oskar Florhed. **4 Ajlexes Hans** has done quite well at the end without winning. He also has a run under his belt and is our favorite for the lead. Early choice. **9 No Limit Express** is one of the best horses in this race and put in a couple of nice performances last year. Makes his seasonal debut here and should be considered immediately together with Magnus A Djuse, despite this tricky number. **8 Zätamustangen** is also good for this field but he has a poor lane. Can open fast but faces several other quick starters here.
