RANK

1 Comes With Age galloped a lot last year but showed high capacity too. Good training reports and without a mistake, he probably leads all around. **8 Xanthis Harvey** has won Kriteriet and made a start in France last winter where he got too fiery. Mixed reports now. **2 Fortune Mearas** was close from outside the leader last time and is in great form. **5 Sourire Frö** was good last time after a fast finish. Has great speed with the right journey.

2 Holger is not that bad and has made two starts this year. Has been a bit slow but done alright. More training now and first American bike this year. Our pick. **4 Sign Me Up Yankee** galloped early in the V75 last time. Easier opponents now and the stable is pleased. **7 Go For Manny** looked fine in the debut for his new trainer last time and he finished brilliantly. **6 Steady One** only won one race last year but is gifted and is possible with the right journey.

RANK

10 Poleposition is a top horse who was really nice in his comeback last time. Came back great after an early gallop. Top chance despite this draw. **6 BGPastor Jonte** remained outside the leader last time in the V75 after a tough start. If he takes the lead here, he is an early challenger. **11 Holy Ground** has been unlucky and is much better than the latest results show - watch out. **5 MT Montpelier** galloped on the way to a second spot last time. Barefoot and American bike now.
