RACE 1

Going: **Good to Firm (Good in places)**

The course is a right-handed oval with easy bends, and is a flat, fast track about one and a half miles in length. There are nine fences to a circuit, some of them rather tricky, and the water jump was filled in during summer 2008, astroturf replacing the water. Huntingdon favours horses with speed over stamina, sluggards seen to best advantage only under extremely testing conditions.

**3 TRACKMAN** **6** 11-4 | 71.7kg

 Simon Pearce *David Noonan*  
Related to winning hurdlers but he's a long-standing maiden on the Flat (stays 1¾m) and rates best watched on first try in this discipline.

**4 VERSATILE (IRE) (30) (BF)** **92**  
3- 5 11-4 | 71.7kg

 James Owen *Alex Chadwick (3lb/1kg)*  
Modest handicapper on Flat (stays 1½m) who shaped with encouragement when third on hurdles debut at Plumpton (2m) last month. However, refused to race back on the level at Leicester 10 days ago. Comes with risks attached on that basis.

**5 BACKER BILK (14)** **85**  
7-2 4 10-12 | 68.9kg

 David Killahena & Graeme McPherson *Nick Slatter (3lb/1kg)*  
Modest 1¼m handicap winner on the Flat who matched hurdles debut form when second of 7 in a Hereford maiden (2m) 2 weeks ago. Will need to step up again if he's to play a lead role but that is certainly possible.

**6 CRACKALACKIN (IRE) (17)** s **99**  
3-4 4 10-12 | 68.9kg

 Dr Richard Newland & Jamie Insole *Luke Scott (3lb/1kg)*  
Fair handicapper on Flat (stays 1½m) and he ran to a borderline similar level when third on hurdles bow at Fakenham last month. Not in same form when fourth at Hexham since but certainly not one to write off in an ordinary affair.

**7 EDELAK (IRE) (11) (BF)** s  **100**  
6-2 4 10-12 | 68.9kg

 Dan Skelton  *Harry Skelton*  
Progressive middle-distance performer on the level in Ireland who was worried out of things after 5 months off (also had breathing operation) when second in a Market Rasen maiden (16.5f) 11 days ago. Still, this looks another excellent opportunity.

**8 GARDE MY GUINNESS (IRE) (256)** t **47**  
3334- 6 10-11 | 68.5kg

 Jamie Snowden  *Gavin Sheehan*  
Kapparde mare who made the frame in a trio of bumpers (modest form) but never threatened on hurdles debut at Worcester (2m) when last seen in September. This promises to reveal more.

EDELAK squandered what looked a good opportunity on his return at Market Rasen 11 days ago but Dan Skelton's 4-y-o looks to have been found another excellent opening. Crackalackin is next best ahead of Backer Bilk.

Fair bumper winner who could only match previous form in a refitted hood (discarded here) when fourth of 8 on handicap debut at Hereford (2m) in November. Tongue strap goes on for return and she's not ruled out for stable amongst the winners. Has had breathing operation.

**2 CALLIN BATON ROUGE (IRE) (30)** (D) **98**  
70536254- 8 11-13 | 75.7kg

**Charles & Adam Pogson** **Charlie Todd**  
Multiple hurdles scorer who ran best race for a while when second at Doncaster (16.6f) in December and again performed creditably without landing a blow when fourth at Stratford (2m) 4 weeks ago. One to consider operating 4 lb below last winning mark.

**3 MIRACLES DO HAPPEN (40)** **97**  
32836061- 5 11-13 | 75.7kg

**Tom Lacey** **Stan Sheppard**  
Headstrong sort who was fitted with a first-time tongue strap and having crucially settled better, showed improved form when shedding maiden tag in 8-runner mares' handicap at Taunton (16.5f) 6 weeks ago. Raised 5 lb but that unlikely to prevent another bold showing.

**4 EASTERN SHORES (28)** **100**  
46733256- 6 11-11 | 74.8kg

**Fergal O'Brien** **J. Hogan**  
Fair maiden hurdlor who again raced freely and failed to see things out when sixth of 7 in handicap at Ffos Las (2m) 4 weeks ago. Pick of her form came over this C&D however, and she's certainly in with a shout provided she races more efficiently down in class.

**5 ALIBEY (30)** **97**  
5542- 4 11-6 | 72.6kg

**Dylan Cunha** **Tabitha Worsley**  
Fair maiden on the Flat who arrives having posted her best effort yet over hurdles when second on handicap debut at Plumpton (2m) 4 weeks ago. Remains low mileage in this sphere and definite possibilities granted a decent pace to aim at.

**6 DRIVING MISS D'AZY (193)** **94**  
0/487- 5 11-2 | 70.8kg

**Kim Bailey & Mat Nicholls** **Tom Bellamy**  
Well held in bumper/first 2 starts over hurdles but did at least offer a bit more than previously when seventh of 14 on qualifying run at Fontwell (17.7f) in November, staying on gradually. In good hands and further progress distinctly possible now handicapping following a break.

**7 ADAAY DANCING (43)** **97**  
760/3U43P- 5 10-12 | 68.9kg

**Max Comley** **David Bass**  
Modest maiden under both codes who proved disappointing minus the hood (now refitted) when pulled up at Hereford (19.6f) 6 weeks ago. Quickly back down in trip but others more persuasive on balance.

**8 KLERVIA (FR) (27)** **96**  
323604P- 6 10-11 | 68.5kg

**Fergal O'Brien** **Tom Broughton (5lb/2kg)**  
Placed in novice hurdles around 2m on good ground last spring. Best effort in handicaps since when fourth of 13 over 21.5f at Exeter on penultimate start but she ran poorly when pulled up at Ludlow 4 weeks ago. Bounce back called for dropped markedly in trip. Had breathing operation.

8 DECLARED RUNNERS

**BETTING FORECAST:**

**TIMEFORM VIEW:**

MIRACLES DO HAPPEN crucially settled better when making her second start in handicaps a winning one at Taunton 6 weeks ago and a 5 lb rise ought to see her very competitive again with a repeat. Ride Like A Girl returns from a break following a breathing operation and is feared for the in-form Jamie Snowden yard, with Alibey and Eastern Shores others in the mix.
