**RANK**

**11 Dear Crown** has won two out of five races and in different ways. This lane is never easy but the four-year-old clearly has the capacity to pass everyone at the end. **1 Zazzy Zizzy Zack** won easily in the last race. Is not a quick starter, but with an opening at the end he could score a new victory here. **3 Prevail'em** looked nice in the comeback without being empty. Should have made some progress with that run under his belt and has to be considered. **9 Loke Burge** is fast when he can save his speed. In the mix with the right trip.

**2 Ragnhild Burge** won easily from the lead two starts back and from that position the mare is undefeated after two attempts. Good chance to get there again and will be hard to reach. **12 Don't Touch Me D.E.** has a run under his belt and now. Barefoot now is an exciting change. **4 Insane Å.** has done well in both starts this year. Is in fine form and could win this thanks to a strong final lap. **5 M.T.Ulrik** came back well after a gallop last time and has the speed to be in the mix.

**RANK**

**6 Knockout Charlie** has two runs under his belt after a layoff and is starting to get closer to top form. Can open fast and from the lead he will not be easy to defeat. **10 Lucky Lane** is one of the better horses in this race and even though he might prefer to run in front he is an early choice here. **9 Leo The Lion** has two straight gallops but owns good capacity for this field. **12 I Am Timmie** has found fine form towards the end, but the starting position reduces his chances of winning.

**RANK**

**6 Boost Lane** took his first win two starts back and with energy left. Quick starter and from the lead he is the horse to beat. **4 Vidar Burge** held strongly in the last race as second after a tough final lap. Hasn't won for a while but is good enough to beat these opponents. **10 Global Feature** did not trot well at the end in the seasonal debut. Good for this company and is normally in the fight for victory. **2 Kehewin Goj** has done well in this year's starts and from a good starting position he is possible too here.
