12 Remjahn is a winning machine who has won seven out of nine races. Can open fast and the main scenario is that he is in the lead before the final lap. Our pick. **3 Kvick Revy R.F.** is the best horse in the first circle. Has to be considered early especially if he easily reaches the front. **9 Lex Even** has won four out of seven races on Swedish soil but the form is a bit of a hard to predict. Could surprise. **5 Thess Imas** is consistent and if the favorite fails, the nine-year-old is one of those who can win this race.

4 Remlov came back well after a gallop against tough opposition in the last race. The seven-year-old is a quick starter and should be able to lead despite this number and from the front he is the horse to beat. **2 Storm Annsgal** is matched in tough competition and should be seen as the biggest threat to our pick from this good starting position. **5 Tysvær Mikkel** is coming off a win and is in top form. Is good enough to be in the mix here. **6 Gran Eld** does well most of the time but does not win very often.

3 The Gentleman has visited Sweden twice and both times it has ended victory. Jepson again and he should have a good chance of winning. **1 County** found the lead from a similar starting position four starts ago. Gave away that position then, but now it is possible that he will be tested in the front. **7 You Love Q.C.** took his first win in the last race but did not trot well and got disqualified. Normally in the fight for victory. **5 Baila Baila** got locked in last time and looks in good shape today. Should not be underestimated from a good draw.

Normally in the fight for victory. **9 Hickovelocissimo** might prefer to run in the lead but should not be overlooked as his form is top notch. **3 Åse Tim** has not trotted well in the last few starts.
