Main challenger. 9 Gigolo la Marc got a tough final 800 meter in this discipline on Rättvik two starts back. Good place chance now. 4 Demerara is a Norwegian guest who starts for the first time in Sweden. Won in the lead under the saddle in the last run.

2 Nolana Boko scored an impressive victory on Romme on June 9th. Has been a non-starter due to fever in a Breeders' Crown-heat on Rättvik at the end of June. Our pick anyway. 1 Epic Kronos is undefeated without a mistake and had energy left when he won the last race on Eskilstuna. Early choice. 7 Frojdholm could have had three straight wins if he had avoided a mistake in the last run. Galloped on the home stretch then and was not empty. 9 Mellby Lion got defeated in the last E3 elimination heat. Could get a nice defensive journey here.

Will go for the front again and he is the main challenger to our banker. 8 Deeply Express convinced in the last comeback race. He will earn a lot of money if he stays fit. However, this number is poor. 1 Loaded Olle has been improved lately and is in good shape. Early contender with this number.

5 Global Duchess is our pick in this tricky race for fillies and mares. She has been a non-starter after the seasonal debut and the form is a question mark. Showed good speed last year. 4 Goldas Love won directly in the debut for a new trainer in the last run. This middle distance is no problem and she should be considered early again. 8 Lucia Lane never found room in the last V75-race and looks nice. Early choice but needs some racing luck. 7 Jes Angel seems to have improved for the new trainer. Has scored both wins this year together with Ohlsson.
