5 Bowler Day put in several nice efforts last year and can open fast behind the gate. Our pick directly after a layoff. 8 Camelot As is quite tough and comes from a strong second spot. Kept up the pace well to a second spot on June 6th and should be considered early here. 6 Le Adonai resumes from an almost one year long pause (the latest start was in the V75 during the Stochampionat weekend). Is gifted and should be followed here. 3 Amoa Bengt has not won yet. Is gifted and will get a new driver this time.

7 Lauria Inferior S. tried to make it to Stosprintern in the last run and set a new record. Was brave in the race before second up. Top chance. 5 Lilo Love is good for this class and has one run under his belt now after a layoff. Is driven by the trainer here. Main challenger. 9 Hera du Nord did alright in the V75 and should be considered early in this company. Good place chance. 4 Twenty Dollar can open fast behind the gate. Resumes from a spell now and is driven by the trainer. In the mix.

4 Västerbo LookHigh faces nice conditions here over the short distance. Can open fast and has won in three out of eight starts. 5 Duchesse W.F. put in a couple of strong efforts during last season and is quite tough. Might score the first win of the year here. 10 Zola Love would have preferred a number in the first line but is good from behind too and this short distance is an advantage. Possible here. 8 Suddenly Spring faces very tough conditions money-wise but has scored two good wins this year and should be followed.

7 Vinci Nice is a bit up and down but very good every now and then. He has shown that he can match tough opponents. He scored a good third spot on June 3rd. 8 Bravo Sabotage can open fast and won on this track this period last year despite a tough journey. Early contender. 5 Oskar Run has good strength and comes from a good second spot in the V75. He would prefer quick pace. 2 Mojito Day is well drawn and has good skills for this class. Finished well to a fifth spot in the last run.
