RACE 1

GET BEST ODDS GUARANTEED AT UNIBET NOVICES' HURDLE
(3) 4yo+ £16,500 2½m139y (4150 Metres)

Going: **Good**

Right handed, sharp with minor undulations. Generally favours nippy types (though the ground can get testing), plenty of races being won by those who quicken best on the run to the first obstacle in the home straight. Easy fences, with the downhill third last catching out fewer than used to be the case.

Pace Information: **Weak**

1	ISLE OF SARK (USA) (15) 524UU73-1 7 11-8 73.5kg	98
	Tony Carroll <i>Harry Cobden</i> Fairly useful on Flat (stays 1¾m). In good form on the level since joining Tony Carroll and took advantage of a golden opportunity back hurdling in 3-runner novice at Newton Abbot (21.5f, good) under Harry Cobden 15 days ago.	
2	MOHAWK CHIEF (USA) (13) (CD) 7233-4321 5 11-8 73.5kg	95
	Mickey Bowen <i>Shane Fenelon (5lb/2kg)</i> Fair Flat winner who made it eighth time lucky over hurdles when winning a C&D maiden (heavy) in first-time blinkers (retained) 13 days ago, forging clear. Any rain in his favour.	
3	INTOSOMETHINGGOOD (17) 383R0-11 4 11-7 73.0kg	92
	Nigel & Willy Twiston-Davies  <i>Sam Twiston-Davies</i> Not straightforward (ran out on hurdle debut) but arrives on the back of maiden/novice wins over 2m at Worcester in recent weeks and has the potential to rate higher if his quirks can be kept in check.	
4	LARAVIE (IRE) (20) 2672-4111 6 11-5 72.1kg	100
	James Owen <i>Sean Bowen</i> Arrives on a 4-timer after wins in handicaps (2) and a novice this summer since fitted with a visor. A bold bid looks assured.	
5	FINAL STRAW (IRE) (40) (BF) 4 5 11-2 70.8kg	87
	Nicky Henderson <i>James Bowen</i> 11/4, needed the experience when 16 lengths fourth in 20.5f Southwell maiden hurdle on debut 6 weeks ago. Open to progress for a leading stable.	
6	KNIGHTSBRIDGE (FR) (63) 4 5 11-2 70.8kg	78
	Jonjo & A.J. O'Neill <i>K. Brogan</i> 14/1 and tongue tied, 16 lengths last of 4 in Uttoxeter novice hurdle on debut in May. Needs to leave that well behind.	
7	OUT ON HER OWN (20) 46 5 10-9 67.6kg	48
	Dianne Sayer <i>Danny McMenamin</i> Point winner who shaped quite well when fourth of 17 in Aintree bumper for John Dawson in April. Beaten a long way on 17f Cartmel hurdle debut for Dianne Sayer last month. This longer trip could suit but might be more of a longer-term prospect.

LARAVIE is taken to make it 4-4 since visored. Intosomethinggood is another who arrives on a winning run and can give James Owen's mare most to do ahead of Isle of Sark.

1	DEPLOY TO SPY (37) 2/811178-1 7 12-0 76.2kg  Olly Murphy <i>Sean Bowen</i> Back on song after an 8-week break when winning 3-runner handicap hurdle at Worcester (4/5) 37 days ago, having no trouble with the longer trip, albeit with little emphasis on stamina. That form is worth little but should remain competitive in first-time cheekpieces back down in trip.	s	97
2	PORTER IN THE PARK (IRE) (20) (D) 255251-09 8 11-7 73.0kg  Emma Lavelle <i>Cameron Johnstone-Baker</i> (10lb/5kg) Resumed winning ways back from a 4-month break in a Ludlow handicap hurdle (11/2) in March, but below form both outings subsequently, including when ninth of 14 in handicap at Uttoxeter (20/1) 20 days ago. Must bounce back returned to a shorter trip under 10-lb claimer.		98
3	MOSTLY SUNNY (IRE) (20) (D, BF) 057512-44 6 11-6 72.6kg  Dan Skelton <i>Harry Atkins</i> (7lb/3kg) Won a handicap hurdle at Plumpton in April and has remained in form since, finishing fourth of 14 at Uttoxeter (7/2) from a career-high mark 20 days ago. 4	BALLYGEARY (IRE) (126) (CD) 3165P284- 8 11-3 71.2kg  Mike Sowersby <i>William Maggs</i> (5lb/2kg)  Has shown ability in handicap hurdles but temperament often an issue, including when last of 4 in handicap hurdle at Newcastle (4/1) on final outing in March, carrying head awkwardly. Cheekpieces removed today on first run since leaving Donald McCain.		96
5	BROUGHSHANE (IRE) (70) (D) 4/12133P-5 7 11-2 70.8kg  Mickey Bowen <i>James Bowen</i>  Won handicap hurdle at Southwell in November and placed in a chase at Fontwell in March. Not disgraced back over hurdles at Hexham in May and now sets out for a new and in-form trainer in first-time blinkers. Watch betting.	b	96
6	BENVOY (IRE) (111) 4311- 4 11-0 69.9kg  Jo Davis <i>Gavin Sheehan</i> Fair maiden on Flat in Ireland and going the right way over hurdles for Jo Davis, making it 2 from 2 in handicaps in ready fashion at Ascot (15,7f) in March. Has an 11 lb higher mark to contend with in a stronger race here, but further improvement certainly possible.	t	95
7	MAGHLAAK (20) 4113443-4 6 11-0 69.9kg  Adrian Keatley <i>Danny McMenamin</i> Dual-purpose performer who was flying too high in York Group 3 on most recent Flat outing. Not disgraced when fourth of 9 at Uttoxeter on final jumps start in late June and possibilities if seeing out the longer trip.	s+t 	100
8	D'JO DELA BARRIERE (FR) (44) (D) 84886-135 6 10-9 67.6kg  Evan Williams <i>Miss Eleanor Williams</i> (7lb/3kg) Won a handicap hurdle at Plumpton (4/1) in May but has run slightly below that level both outings since, including when fifth of 6 at Ffos Las (11/2) 44 days ago when merely closing the gap late. Needs to recapture best form.		99

TIMEFORM VIEW:

BROUGHSHANE is a relatively low-mileage sort who could be the answer fitted with first-time blinkers having joined a yard in really good nick at present. Mostly Sunny has been running well of late and ought to remain competitive, while Maghlaak also has possibilities if seeing out the longer trip.

Pace Information: Strong

1

KIHAVAH (98)

(C, D)

1/2239-8 12-0 | 76.2kg

Adrian Keatley

Very likeable dual-purpose performer who was second in this last year before filling the same position in the Ebor on the Flat a month later. A bad mistake at halfway excuses a rare below-par run in the Scottish Champion Hurdle in April and he's been in good form on the Flat since. Should go well.

Danny McMenamin

2

MOON CHIME (77)

(D)

311/431B-1 7 11-9 | 73.9kg

David Killahena & Graeme McPherson

Enhanced excellent strike rate with a 2m Hexham handicap win in May. Well beaten on Flat debut at Goodwood since but a lot better can be expected back over timber.

Kielan Woods

3

BRAVE KNIGHT (267)

(D)

1114-5 11-4 | 71.7kg

Paul Nicholls

Fairly useful 2m winner on Flat for Sir Mark Prescott and scored 3 times over hurdles for Paul Nicholls last summer. Arrives fit from the Flat and interesting contender in his first handicap hurdle. Also wears cheekpieces for the first time in this sphere.

Harry Cobden

4

D DAY ARVALENREEVA (IRE) (56)

(CD)

4311-1 5 11-1 | 70.3kg

Kevin Philippart de Foy

Failed to win on the Flat but has thrived over hurdles, winning 3 handicap hurdles this spring. Coasted in at Cartmel last time so even a further 9 lb rise may not prevent another bold bid.

Jack Quinlan

5

CASTEL GANDOLFO (IRE) (36)

(CD)

316799-51 8 10-13 | 69.4kg

Fergal O'Brien

Won this race 12 months ago and added another C&D success last month. While his course record makes him a dangerous one to discount, a 6 lb rise for last time leaves him 5 lb above the mark he defied last year.

Jonathan Burke

6

SIR GALAHAD (IRE) (31)

(D)

1-111 4 10-12 | 68.9kg

Olly Murphy

Went 4-4 over hurdles for this yard when accounting for 7 rivals on 2m Worcester handicap debut 31 days ago. Well on top at the finish and a 5 lb rise doesn't look enough to stop him with further progress likely.

Sean Bowen

7

CAVERN CLUB (IRE) (140)

(D)

124271-5 10-11 | 68.5kg

James Owen

Dual hurdle winner last season and bounced back to form with a bang when scoring over 2m on the Flat at Chester last month. One of 4 runners for the prolific James Owen yard.

Gavin Sheehan

8

NO RISK WITH LOU (FR) (20)

(D, BF)

35/1U33-1F 8 10-10 | 68.0kg

Alex Hales

Goes well fresh and maintained unbeaten Huntingdon record with 2m handicap chase success on reappearance in May. Looked set to go close when departing 2 out at Uttoxeter since. Lowr mark for what is only his second handicap hurdle.

Bryan Carver

9

ENTHUSED (IRE) (59)

1514864-3 8 10-10 | 68.0kg

James Owen

Six-time hurdle winner who made a respectable return to hurdles when third at Warwick (2m, good to soft) in May. In good form on Flat since (won on AW last month) and he's now below his last winning mark over hurdles. Yet another to consider.

Dylan Johnston (3lb/1kg)

10

GOBLET OF FIRE (70)

(D)

414/4131-3 5 10-10 | 68.0kg

Nicky Henderson

Progressive on Flat for this yard and also on the up in this sphere, resuming from 6 months off with a 2m handicap win at Hereford in April. Fine third of 16 in the Swinton at Haydock since. Likely to give another good account.

James Bowen

11

GOODWIN (IRE) (20)

(D)

2131/66-P 7 10-6 | 66.2kg

Chris Gordon

Fairly useful bumper/dual novice hurdle winner but lightly raced in recent times, pulling up on Cartmel return last month. Visored first time. Can only watch.

Rex Dingle

12

TIME INTERVAL (20)

(D)

9/1425-112 7 10-6 | 66.2kg

David Dennis

Useful on Flat earlier in career-best form over hurdles this summer, winning 2m handicaps at Stratford and Warwick before good 4½ lengths second to reopposing Tara Iti at Uttoxeter (2m, good) 20 days ago.

Adam Wedge

13

NIBRAS GOLD (IRE) (334)

2224/2205-7 10-6 | 66.2kg

James Owen

Fairly useful hurdler/chaser for David Pipe and has scored twice on the Flat at Beverley since joining the excellent James Owen stable. Interesting on first hurdle run for this yard.

Sam Twiston-Davies

14

TARA ITI (20)

(BF)

21F-22171 7 10-5 | 65.8kg

James Owen

Better than ever when landing hurdle win 4 since joining James Owen at Uttoxeter (2m, good) at the end of June. A well-held fourth on the Flat at Beverley last month but every chance he'll bounce back returned to obstacles.

Jack Tudor

15

OSLO (20)

(CD)

1/833U65-6 8 10-2 | 64.4kg

Fergal O'Brien

Three-time hurdle scorer. Fit from Flat, below par behind a couple of these rivals on Uttoxeter hurdle return 3 weeks ago. Given a chance by the handicapper but others are still preferred.

Liam Harrison

15 DECLARED RUNNERS

BETTING FORECAST:

7-2 Sir Galahad, 10-1 Brave Knight, 10-1 Goblet of Fire, 11-1 Castel Gandolfo, 12-1 D Day Arvalenreeva, 14-1 Moon Chime, 14-1 Oslo, 16-1 Cavern Club, 16-1 Tara Iti, 18-1 Kihavah, 18-1 Time Interval, 25-1 Enthused, 25-1 Goodwin, 28-1 Nibras Gold, 33-1 No Risk With Lou

TIMEFORM VIEW:

A strong field but SIR GALAHAD still rather stands out. Olly Murphy's charge was well on top at the finish on his Worcester handicap debut and can make light of a 5 lb rise and stretch his unbeaten hurdle record to 5. Last year's runner-up Kihavah should give it another good shot, while Brave Knight and Moon Chime boast progressive profiles. Nibras Gold arrives on the back of 2 Flat wins and may prove best of the James Owen contingent.

2	GOD'S OWN GETAWAY (IRE) (43) (C) 545443-32 7 11-12 75.3kg  Dan Skelton <i>Harry Skelton</i> Running no better than respectable this calendar year, though beaten only by a subsequent winner in this headgear at Bangor latest. Becoming well handicapped so not taken lightly.	s	98
3	LERMOOS LEGEND (20) (D, BF) 41PP-2222 10 11-9 73.9kg  Mickey Bowen <i>Sean Bowen</i> Runner-up all 4 starts this season, finishing ahead of a subsequent winner when going close at Cartmel 3 weeks ago. No surprise to see him thereabouts again.	s	97
4	ALSHADHIAN (IRE) (32) (BF) 7795-U15 5 11-6 72.6kg  Oliver Greenall & Josh Guerriero <i>Toby Wynne</i> Fair maiden at best on the Flat and left previous jumps form well behind when running out an easy winner at Southwell. That was effectively his chase debut (unseated early on actual debut in this sphere) and might have found latest run coming too soon. Worth another chance.	t	93
5	ROCKS UP LATE (IRE) (31) 6P09-111 5 11-4 71.7kg  Ben Pauling <i>Ben Jones</i> Has made an excellent start over fences for new yard this season, completing hat-trick at Worcester last month in good style. Remains one to keep on the right side of.	t	100
6	CLEAN GETAWAY (IRE) (36) (CD) 111145-2P 8 11-2 70.8kg  Philip Kirby <i>Joe Williamson (3lb/1kg)</i> Completed 4-timer at Sedgefield in November but just the one decent effort since and ran poorly here 5 weeks ago.	s	95
7	GREENWAYS (IRE) (11) 3P32-4331 6 10-5 65.8kg  Ryan Potter <i>Benjamin Macey (7lb/3kg)</i> Hurdle winner for Tom Symonds who seems to be getting the hang of things over fences now, holding on gamely when off the mark at Uttoxeter 11 days ago. Can go well again from his low base given the steady progress he's been making.		94
8	SOLID FUEL (11) 0/71P8-347 7 10-3 64.9kg  Joanne Thomason-Murphy <i>Conor Ring</i> Sprang a surprise at Worcester last summer but mixed record since, running poorly at Uttoxeter 11 days ago.		94
9	PROSPECT HOUSE (IRE) (29) (CD, BF) 53501-312 7 10-2(9-12) 64.4kg (62.6kg)  Peter Niven <i>William Maggs (5lb/2kg)</i> Twice a winner over this C&D in recent months and beaten only by a thrown-in rival over further here 4 weeks ago. Has work to do from 4 lb out of the handicap, however.	v	96

TIMEFORM VIEW:

ROCKS UP LATE completed a quick-fire hat-trick at Worcester last month in the style of one who'll keep ahead of the handicapper for a while yet. God's Own Getaway continues to ease in the weights and is next best ahead of the in-form Harel du Marais.

TIMEFORM 1-2-3:

1. ROCKS UP LATE 2. GOD'S OWN GETAWAY 3. HAREL DU MARAIS

HURDLE (4) 3yo+ (Rated 0-110) £16,500 2m125y (3330
Metres)

Going: Good				
Right handed, sharp with minor undulations. Generally favours nippy types (though the ground can get testing), plenty of races being won by those who quicken best on the run to the first obstacle in the home straight. Easy fences, with the downhill third last catching out fewer than used to be the case.				
Pace Information: Even				
1	INCA PRINCE (IRE) (677) (BF) 552/ 7 12-0 76.2kg			98
	Ruth Jefferson	<i>Sean Bowen</i>	Won a trio of races as a juvenile and ran well from a 5 lb higher mark when second in 8-runner handicap at Perth on final outing in September 2023. Hasn't been seen since, however.	
2	SHARP GLANCE (15) (D) 566-3121 5 11-13 75.7kg			95
	Alan King	<i>Tom Bellamy</i>	Has taken well to hurdling, finding some improvement to resume winning ways on handicap debut at Bangor (16.7f) 15 days ago, suited by sound gallop. Nudged up 5 lb but pedigree suggests she may do better still.	
3	LASER FOCUS (IRE) (227) (BF) 4/44U1143- 7 11-13 75.7kg	s+t		97
	James Owen	<i>Ben Bromley (5lb/2kg)</i>	Dual hurdles winner who got back on the scoresheet on the Flat at Beverley in May. Finished third of 5 in handicap at Lingfield (6/4) on most recent outing when not ideally positioned. Back over hurdles now and needs to pull out more from current mark.	
4	PRINCE QUATTRO (IRE) (37) 13519-331 6 11-11 74.8kg			96
	James Owen	<i>Alex Chadwick (5lb/2kg)</i>	Registered a first success on British soil in handicap hurdle at Worcester (2m) in June before finishing sixth of 10 in maiden at Doncaster on Flat debut 15 days ago, slowly into stride. Should be more competitive on this return to hurdling.	
5	SCINTILLANTE (17) 586-31421 5 11-10 74.4kg			99
	Alastair Ralph	<i>Jonathan Burke</i>	In excellent form with two recent hurdle wins at Worcester, scoring very cosily without coming off the bridle in 9-runner event there (2m) 17 days ago. Faces stronger opposition but seems likely to give another good account.	
6	BELLBIRD (28) (D) 226642-21 5 11-7 73.0kg	s		98
	Donald McCain	<i>William Maggs (5lb/2kg)</i>	Won a 5-runner handicap at Bangor-On-Dee (11/4) 28 days ago when ridden from the front. Consistent sort who should give her running again but will likely find it harder to dominate this field.	
7	GAME BEAAA (IRE) (29) (CD) 332559-11 8 11-3 71.2kg	t		96
	Daragh Bourke	<i>Danny McMenamin</i>	Has all three career wins at Market Rasen on good to firm going, most recently winning by 13 lengths over C&D (6/4) 29 days ago when travelling powerfully and jumping well. Thriving lately but a 13 lb higher mark demands more.	
8	INIT TOGETHER (24) 7233-21 7 11-1 70.3kg			100
	Tony Carroll	<i>K. C. Sexton</i>	Opened his hurdling account at Worcester (2m) last month, showing a good attitude. Ran creditably when third of 5 in 10f handicap at Brighton back on the Flat since and remains of firm interest reverting to hurdling.	
9	GAVIN (20) 3792-1624 7 11-1 70.3kg	t		97
	Mickey Bowen	<i>James Bowen</i>	Snapped a losing run in good style at Ffos Las (15.8f) in May and quickly back on track when second there in Jine. Similar form when fourth of 14 at Uttoxeter (20f) since. Hood removed and should remain competitive.

TIMEFORM VIEW:

INIT TOGETHER showed a good attitude when winning at Worcester recently before a solid effort back on the Flat, and remains of firm interest now returning to hurdling. Scintillante arrives in excellent form with two recent hurdle wins and should go well again, as should Sharp Glance, who remains unexposed following her handicap debut success at Bangor.

Off the mark over fences here (21.4f) last summer. However, lost his way for Ryan Potter in the autumn and hasn't met expectations in 2 runs for current yard in recent weeks.

Shane Fenelon (5lb/2kg)

1	CAMINO ROCIO (IRE) (29) (CD) 11P113-P3 7 12-2 77.1kg Jim & Suzi Best Much improved in handicap chases for current yard last season, winning 5 times including at this C&D. However, pulled up at Plumpton in May and, in first-time blinkers, was again below form when third of 4 in novice hurdle at this course (23.1f, good to firm) last time.	97	Harry Cobden
2	A DUBLIN JOB (IRE) (32) (C, BF) 7398/11-12 8 12-2 77.1kg Harry Derham Maiden hurdler but new yard has found the key to him and made it 3-3 over fences when landing a Warwick handicap (20f) in May. Again ran well when second of 4 at Stratford (22.6f, good) last time and could yet do better back up in trip with cheekpieces reapplied.	98	Megan Fox (7lb/3kg)
3	NICKELFORCE (IRE) (13) (BF) 311U5-232 6 12-1 76.7kg Ben Case Won first 2 starts over fences in 2024/25 and has been shaping up well this season, again travelling well when collared close home at this course (21.4f, heavy) 13 days ago. Can make his presence felt back down in grade.	99	Mr Charlie Case (7lb/3kg)
4	BORN BRIGHT (IRE) (18) 0160-7F41 6 11-13 75.7kg Ms Claire O'Connell, Ireland Won twice over hurdles last season and made a successful handicap chase debut when landing 13-runner contest at Tipperary (23.2f, good to soft) 18 days ago, able to overcome a steady gallop. Major player with more still to offer.	100	James Smith (5lb/2kg)
5	GIOVANNI CHANGE (FR) (29) (CD, BF) 37321-143 10 11-13 75.7kg Mark Walford Dual C&D winner in the spring and left behind a lesser effort over hurdles at Huntingdon when third of 6 back here (21.4f, good to firm) last month. Could be in the mix as he returns to this lower grade back up in trip.	94	Mr Paddy Barlow (7lb/3kg)
6	CHIEF BLACK ROBE (IRE) (32) (CD) 11142P/43 9 11-12 75.3kg Barry Brennan Completed a 4-timer over fences (including over C&D) for Fergal O'Brien in 2023, but little promise in 2 starts reverted to hurdling for current trainer this season, well-beaten third of 6 at Stratford (18.7f, good) last time. Has enough to prove back chasing.	97	Tom Broughton (5lb/2kg)
7	LEADING FORCE (IRE) (22) (D) 058-21F22 8 11-10 74.4kg James Owen Reinvigorated by the switch to James Owen, gaining compensation for a narrow hurdles defeat when a convincing winner over fences in cheekpieces at Uttoxeter. Fell next time but runner-up last 2 starts, back in blinkers at Cartmel (25.5f, heavy) 22 days ago. Not ruled out.	98	Sam Twiston-Davies
8	FAME AND FUN (IRE) (17) 25143P-32 8 11-7 73.0kg Mickey Bowen Revived by a return to positive tactics/refitting of cheekpieces when winning at Fontwell (21.6f, heavy) in January. Not in the same form next 3 starts but has shaped well the last twice, runner-up to a progressive rival at Worcester (23f, good) 17 days ago. One to note.	98	Sean Bowen
9	ANOTHER LORD (IRE) (35) (D) 272421-21 8 11-7 73.0kg Mickey Bowen Registered first victory over fences in handicap at Ffos Las (23.8f, soft) in April and has built on that effort in his 2 subsequent outings, resuming winning ways at Uttoxeter (24f, good) last month. Will need to find more again upped in grade.	97	James Bowen
10	RIBEYE (13) (CD) 312F93-41 10 11-0 69.9kg Peter Atkinson Capitalised on falling mark when scoring at Musselburgh in December. Form has been in and out since, but returned to his best when a wide-margin winner at this C&D (heavy) 13 days ago. Task is now to back up his latest effort.	95	Danny McMenamin

12 DECLARED RUNNERS

BETTING FORECAST:

5-1 Giovanni Change, 13-2 Born Bright, 13-2 Nickelforce, 13-2 Leading Force, 7-1 A Dublin Job, 7-1 Fame And Fun, 10-1 Another Lord, 16-1 Ribeye, 22-1 Camino Rocio, 28-1 Unwanted Attention, 40-1 bar

TIMEFORM VIEW:

BORN BRIGHT opened her account in this sphere when making a winning handicap debut at Tipperary last time, well on top at the finish despite the steady pace in the race, so she could be capable of following up. Heading the list of dangers is Nickelforce, who has shaped promisingly in his 3 starts this season, while A Dublin Job is also respected.
