9 Mellby Imperial won easily in the lead in the debut on Solvalla and scored a strong second victory in March. He got defeated by gifted Parker in the last race over the long distance. The four-year-old is a half-brother to Mellby Free who has earned almost nine million SEK. 8 Mellby la has got a tricky number but with the right journey over this short distance she could be in the mix. 1 Be My Valentine can open fast and should get a nice trip in the front. Possible if she is at her best. 2 Procedure Turn likes this starting method and has place chance here.

2 Grant Hall found the lead after 500 meter in the last race and won easily at the end. The three-year-old faces older opponents now but is well drawn. Dangerous. 8 Esplanad won in a good time two races back with the circular start. Debut behind the gate for the four-year-old here and should be considered if that works well. 3 Brasco Brodde made an early mistake on Solvalla in June but finished well to third. He won easily in Eskilstuna after that and is good enough to be in the mix here. 6 Lucid Dreaming started this year well with three good results but in the last race he was clearly defeated and finished unplaced.

7 Qvanting Indika won from outside the leader over the short distance in June and over the long distance in July after a fast finish. The horse has done well this summer. Our pick. 12 Adam Orden has scored all three wins together with Mika Forss. If he avoids a mistake he is possible here despite this poor number. 4 Hugo Journey finished well to victory and could get a nice journey with this number. Dangerous in that case. 5 Mirakel Håleryd is not reliable but when he avoids a mistake he is good for this class. All wins this year were scored in the lead. Possible if he reaches that position again.

3 Up New Moon finished to victory two starts back over the middle distance. She faces horses who have earned less then herself and could score the sixth win here. 1 Harriet Web won easily in the lead in May and with a similar performance she will not be easy to beat. 10 Bridge Maid scored the fourth win after five starts in February but lately she has not convinced. She is possible here but needs to be improved. 4 Vaiana Venit won with energy left in a new record in July and has to be considered early if she avoids a mistake here.
