9 Zodiacale has scored eight wins in 30 starts which is very strong. Uses to meet quite tough opponents. Our pick. 7 Halo Moko was third in the last run behind Eros Sisa and Shake That Heaven and seems on the way up. In the mix. 6 Fabrizio has not won for a while but faces easier opponents in these Scandinavian Championships for amateur drivers and is an early choice. 2 Elmar Shadow is ideally drawn and will certainly get a nice journey. Normally in the mix here.

5 Fanny Østervang scored a sensational win after an inside journey and a strong finish in the last run. Great form and an early contender again. 9 Design Hastrup can open fast so this number is a handicap. He should be considered early anyway. 8 Eyecandy is interesting here. Does not win very often but is consistent and uses to finish fast. 1 Faust Hovmand is up and down and the chances are not easy to predict. If he is at his best he is possible here.

5 Larsson can open very fast and prefers to run in the lead. Will go for the front here and has a good chance in that case. 4 Enjoy Banker is a quick starter as well but might find it hard to reach the front here. Early choice anyway. 3 Verozzo comes from a final race on this Aalborg track and finished fifth. Contender. 2 Major Tallmadge has not convinced so far for new trainer Jeppe Juel but has good speed and he could cause an upset here.

3 Jack of Hearts D C is promising and has shown that he can open fast. Our winner here. 8 Gilberto is the main challenger. Has not started for a while but should be considered directly. 9 Gaby Spin was ahead of our pick in the last run and could challenge again here. This number is tricky though. 6 Herman K has not won either but will soon score a victory. Early contender behind our top duo.

1 Heart of Magic put in a good effort behind Hr Weyse in the last run. Has earned less money in this field but could be the best anyway. 6 Thai Tyrell is strong and can do it tough if necessary. Should be considered early. 5 Jazz Laser has met tougher opponents lately and not had a real chance. Easier now and Pedersen's pick. 7 Ginger Ninja could get an offensive start by Michael Lönborg and might find the lead as well.

4 Highlight D comes from a nice victory and is in great shape. Could find an early lead here and has top chance in that case. 6 C R Kronos has got a new trainer and is good enough to be in the mix here. Main challenger. 7 Fiona Ice comes from a good fifth spot behind Muscle Crown and Fit For Fight. Should not be overlooked here. 2 Edison Chip has not won for a while and only scored two wins in 50 starts. Place chance here.
