Is the main challenger to the stable companion. 1 Tinolo was second to Liars Corner in their latest meeting and has shown good form in flat races lately. Possible challenger. 4 Mr Suarez is getting better and better in this discipline and could be in the mix as well.

2 Foxcatcher won his latest race in July 2019 and faces better weight conditions. Somewhat tougher weight now though but easier opponents seems the right matching. Contender. 7 My Cup of Tea is in great shape and faces nice weight conditions here after the latest victory on Örevoll. Early choice. 6 Sir Gnet has put in four good efforts this year without winning. Possible here instead.

The horse to beat here. 7 Ayman comes from a convincing victory but was second and clearly defeated by Rasmy Al Khalediah in President of the U.A. E Cup. Will probably have to go for the second spot here too. 4 Djelano got beaten by stable companion Ayman in the last race. This distance is an advantage and he will fight for the second spot here. 8 Al Kaaser has met tough horses in England and could fight for a place too here.

4 Jazz Explosion did not convince in the last Marit Sveaas on Örevoll. Prefers dirt and beat favorite Duca Di Come in Pramms this spring. Our pick. 5 Duca di Como comes from a convincing victory in Polar Cup and should of course be considered early. Has not been as good as last season though and for us he is the main challenger. 1 Plantstepsdream has been improved seven kilo after three convincing victories this season. This 1600 dt is perfect and the gelding is the outsider in this race. 2 Ambassadorial uses to meet tough opponents and these circumstances are perfect. In the mix if he is at his best.

10 Silent Night is a top horse who has one race under his belt after the Dubai adventure. Perfect distance today and she should have top chance if improved. 1 Careless Whisper tried to steal the race in the front in the last race on Övrevoll but got caught by gifted Ascot Brass. Put in a good effort anyway and will lead this Lanwades Stud Stakes for a long while. 12 Nouvelle Lune is very gifted by failed in the last race on Övrevoll and these conditions are not perfect either. Normally possible anyway here. 7 Takeko is a gifted three-year-old filly who faces perfect circumstances here. Early contender.
