1 Grude Bambi prefers the short distance which he showed when she scored the latest win in a new record. Is in great shape and well drawn here. 2 Pyckolina has shown that she can match tough opponents. Got a bad journey in the last comeback race. Certainly improved by that run. 7 Alfa Lina is talented and comes from a great effort in the Swedish Championships. Could be hard to beat. Early choice. 3 Klack Alva has been on the way up lately. Is in fine form and has good speed with the right defensive trip.

Has been poorly drawn after that and got defeated but faces nice conditions here in his ocmeback. 2 Summertime S. has been improved for the new trainer and scored a couple of wins in the lead. Is on the way up and a challenger here. 6 Edwardscissorhands finished to a good win two starts back and looked nice even if he faced easy opponents. 1 Ideås Make it B.S. is fast and could take advantage of this number. Needed the last race.

8 Bork Linda was a winner again in the last race and she convinced after attack with 500 meter to and won very easily. Has done well for this driver. Our pick. 3 Blenda Viking looks nice too and was just closely defeated in the last race in a new record. On the way up and can do it tough. 4 Monster Brage Bo has good speed but gallops a lot too. Is in good form and could challenge without a mistake. 10 S.T.C.C.Brør has shown good capacity for this class. Has a couple of wins under his belt now. Outsider.
