2 Roy Holger has a run under his belt and his form should be significantly improved. He runs barefoot, which he has won with before. Our pick. **4 Who's Lonely** could win after a strong finish in the last race. Improved by that run under his belt and will be fighting for victory again. **10 Gloire d' Empire** has been up against tough opposition for a while and is now stepping down in class. Should have good chances despite this handicap. **7 Global Cutthecrap** took his first win of the year in the last race. Jepson again and should be followed.

4 Gold Girl finally won in the last race and although it was a cheaper race she made a really good impression. If she reaches the front she can lead this all the way. **2 Galeotta Laksmy** galloped in her Swedish debut and she is of course hard to predict. Should get a nice position from here and she has to be considered without a mistake. **1 Matsi** was clearly positive in the last race, finishing second. Early contender but this number could be tricky. **6 Barkov** won from the lead in the last race Has to be considered if he gets there again.
