3 Make it Q.L. is our pick in this race for inexperienced horses. He looked nice after an early lead in the last run finishing 13.5/700. 12 Heather Zet comes from a comfortable win but has been a non-starter after that and the form is a question mark. Poor number too. 4 Diomede Ama was allowed to dictate the pace in the lead on September 5th but looked quite nice. Should be in the mix. 5 Mellby Jubel got locked in two starts back and won with energy left in the race after. He starts for the first time behind the gate now. Has to be followed.

8 Sjöli Fryd comes from Norway and faces nice conditions here as a mare against colts and geldings. Finished strongly in the last run after passing a tired opponent. 10 Ils Can found room with 200 meter to go in the last run and finished to a photo finish victory. Is good enough to challenge here too. 3 Prins Modde galloped directly in the last start. Has good speed and is an early choice if he avoids a mistake. 9 Valle Rappa belongs to the same stable as our pick. Does not trot perfectly and is looking for the form she showed last year.

4 Sign Me Up Yankee faces quite easy opponents here. Should handle this number and likes to run in the front. Good chance in that position. **11 Livi Princess H.M.** might need this race after a layoof but she had a nice winter last season and has to be followed directly now. **7 Celine** has got a pause of a couple of months. When she lives up to her capacity she is an early contender in this type of races. **9 Miss Lovelace** galloped directly in the last run. Outsider and worth a warning without a mistake.

11 Never to Young won from outside the leader two starts back and was not empty when he galloped with 400 meter to go. Somewhat tougher now but good chance without a mistake. **8 Salamanca** never had a chance in the last comeback race but she should be improved by that run. Is good for this class. **14 She's Just Joy** comes from two nice efforts. With the right journey she is possible here. **9 Conrads Kim** won easily finishing 11.7/800 in the last run. Has to be considered in this company too.
