7 Ninepoints Lasse won a Breeder Crown semifinal two starts back. Galloped directly in the final though. The horse is developing well and faces nice conditions here. 6 Impala Am had to open fast in the last run but did not convince and gave up at the end. Scored a good victory two starts back. 8 Cool Kronos got a slow start on the inside in the last run. Finished well and he is on the way up now. 5 Herecomestheboom has met tough horses this season. Good for this class.

1 Billy Idol tried to escape in the lead in the last run but got caught at the end. This shorter distance should be an advantage. Quick starter. Will go for the front. 5 Rally Inge galloped directly in the last run. Put in a couple of strong performances before that and he should not be discounted here. 6 Beawinner got a nice trip in the last run and scored a close but comfortable win. Is possible here too with the right journey. 11 Indine Keeper has been improved lately and in case of quick pace the horse should be considered here.

1 Kimi di Quattro got a trip from far back in the last V75-race but finished 10/800 and looked really nice. Good chance but this number is a bit tricky. 8 Again Kronos took over the lead after 400 meter in the last run and won easily. Tricky number but with some racing luck he should be considered here. 9 Newlight Coger parked outside of the leader with one lap to go in the last race and was simply the best. Is on the way up for the new trainer and has to be followed. 6 My Sea won the last over-paced race. Should not be overlooked hee.
