**9 Lill Alf** met good horses two starts back and kept up the pace strongly as fourth and in the last race he was a comfortable winner despite a trip from first over. Nice task despite this handicap in a short distance race. **8 Sundbo Korona** won a fairly easy race two starts back but was too eager in the last race. Owns good speed. **2 Zicken Tuffing** is the most interesting in the first circle. The horse found the lead in the last race but gave up against really tough horses. Great stable form. **11 Selina** scored a good win in the last race and is in fine form.

**11 Mon's Daybreak** has shown good capacity in tough companies but did not convince at all in the last V85 race and has got a break. Shoes now and poorly drawn, but is the best horse. **7 Behind Hotshot** is much better than the latest results show and got locked in with lots of energy saved last Saturday. Down in class here and has to be considered quite early. **5 Good Wine** is a quick starter and comes in fine form. He won very comfortably in the last race. **10 Lauser** is capable. He didn't like the track two starts back and in the last race he got a trip from first over.

**7 Bounced** wins often and last time he beat Dalens Elvis in the V86. Easier opponents now and more experienced driver. **10 Exklusiva Liss** is much better than the latest results show and does well most of the time. In the last race she finished strongly behind tougher opponents than these. **12 Blues Brother** is good for this class but has been ill lately. **2 Boba Fett** is consistent and good but probably didn't like the track last time. Possible from this perfect number.
