7 Quebello comes from a very strong performance in Stockholm Cup and was fourth just closely defeated. Won earlier this year in Oslo Cup over today's circumstances. Banker. 5 Seneschal stands this distance and is possible here in case of quick pace. 2 Captain Chorus won the Norwegian St Leger two starts back and showed good form in the last race on Bro Park too over a too short distance. 2 Captain Chorus is ridden with over-weight. Comes from a very strong victory though and might be even better now.

1 Titannia won both the Jydskt and the Danish Derby and after that he scored a good win in Breeders' Trophy Classic on Bro Park. Our pick in this Breeders' Prize Classic. 2 Giant Fortune was second to Titannia in Breeders' Trophy Classic and just closely defeated. Is ridden again here but Oliver Wilson. 7 I Rest My Case got a poor start in Breeders' Trophy Classic but put in a good effort. Home track and ordinary jockey are big advantages. 10 Hear The Drums can do a lot better than in the last race. Normally an early contender.

7 Sir Camelot is developing well and scored a convincing victory in Breeders' Trophy Classic Consolation. 3 Fast Forward showed good form again in the last Rosengård race and scored an outstanding victory. Early choice if the three-year-old handles this new track and these new conditions. 2 Sandmandarine was clearly defeated by Sir Camelot in their latest meeting over the middle distance. Has done alright after that over shorter distances. Outsider. 11 Victoria Kalejs is ridden with flexible blinkers today. Could cause an upset.

3 Like A King put in a strong effort two starts back and was third to King David and Matchmaker in Swedish Open Mile just closely defeated. Faces nice conditions again here and is our pick in this open Arnfinn Lunds Minneslöpning. 6 Wishformore is in quite good shape. Possible here even if this distance might be a bit short. 7 HollywoodBoulevard likes these circumstances. Scored a good win and was second to Good Fortune in the race after. 8 Youonlyliveonce is in great shape and seems to be the stable's pick too. Contender.

1 Street Smart comes from a comfortable victory after finishing really fast over the home stretch from the last to the first spot. Is developing well and should have top chance here. 9 Mowaaman was defeated in the last race by Street Smart with 2.5 lengths. Faces better weight conditions toward the latter one here and is a possible challenger. 7 Couleur Cafe showed good form in the last race on dirt and the only victory so far has been scored on this surface. 6 Noosa Prince comes from a strong performance and this longer distance is no problem.

2 Simmy's Copshop comes from a well deserved victory. Got two kilo up after that performance but this apprentice claims three kilo off. 13 Cromer is often in the mix and this new jockey here could be an improvement for the gelding. 6 Honorah has been improved lately and Oliver Wilson this time is very interesting. 11 Samara Bay has been successful lately after a couple of defensive rides in the last starts. Good chance to be in the mix here together with P-A Gråberg.
