RANK

3 Burning Love E.P. has shown great form of late and is coming off two wins in a row. Won ten of 25 races last year and should have a good chance here. **1 Dark Night S.E.** also had a nice season last year. Won comfortably two starts back and faced a bit tougher opponents last time. Good draw. **5 Code Young** was second from the outside of the leader in the last race and with a better trip he is definitely possible in this company. **4 Jailhouse Banker** has by far earned most money here. Is consistent and good and should at least have a place chance.

2 Åspe Oda has a very nice task here. She has done well at the end and faces fairly easy opposition. Nice draw and we believe she has top chance. **3 Odspika** will find it hard to challenge our pick but she has started quite well and could be a good place bet. **7 Haugens Embla** has earned most money and has taken four wins so far. She didn't convince last autumn though. Returns after a break. **4 Komnes Huldra** put in a good home stretch in the last race and is possible too if the favorite would fail.

RANK

6 Honannas Trolljeger wins often and meets fairly easy opposition here in the debut in this discipline. Has a run under his belt and normally he has a good chance to win. **7 V.G. Prinsen** has earned most money and has been consistent and good at the end. Has earlier raced under the saddle but that was a while ago. **5 Svenn Ö.K.** has more fresh ridden races under his belt. He was fifth despite galloping in this discipline on today's track. **1 Otilia** comes from a win in a ridden race and beat several of today's opponents. Could lead this for a very long time.

8 Hello has a very good chance to win here despite this lane. He has done brilliantly at the end and has beaten these opponents on several occasions. **7 Maybe Haven** beat our pick second last though after a nice trip. Galloped in the last race but could challenge with the right journey. **6 Kendrick B.R.** had a pretty nice season last year and is better than the latest results show. Could at least be a place bet. **5 Fairtrader** didn't win a race last year after 20 attempts but comes from a second place after a strong finish. Could cause an upset.

1 Alm Mostar has earned least money and is the least experienced horse here but we still have a lot of faith in him. He has shown very good form of late and could take the lead here. **6 Mímle Ö.K.** won five races last year and earned most money. Hasn't been at his best of late though and his form is a question mark. **8 Helmin Skott** has won twelve races in 25 starts and is better than the latest results show. He is coming back after a long layoff. **9 Lykkje Paula** doesn't win often but is possible too.

4 Rubino is our pick in this fairly open race. He has shown good form lately and was fourth against better opposition in the last race. **3 Graud Larose** didn't win a race last year but won straight away in the last seasonal debut. Good form and challenger. **5 Il Mio Preferito** was fourth behind our pick in the last race but came back brilliantly after a gallop. Early choice. **9 Hurricane Hydrup** needs a bit of luck from here but is good enough to fight for victory.
