10 Nikki Lane has been in tough company lately and done well every time. She is dropping down a lot in class now and should have top chance to pass this field. **3 Bredabliks Bombay** got a run under his belt in the last race and will probably be better now. Prefers a defensive journey from behind and will finish quickly. **7 Herbie Peak** can open quite fast and should be able to reach the front and from there he will not be easy to defeat. **9 That's It** is more strong than fast and would benefit from high pace.

4 Fontasia Schermer has won half of her starts. The filly can open quickly behind the gate, but regardless of the journey she should have top chance. **2 Eos Font** galloped just over half a lap from the finish in the last race fighting for victory. Can do it tough but is not reliable. **1 Olara Boko** has been positive towards the end and is in great form today. Good draw and should not be underestimated. **6 Timoka PJ** is strong and tough and if the race is fast she will pass many horses at the end.

Stefan Persson for the first time and without a mistake he should win this. **8 Ozero Boko** is stepping down in class and with the right trip he is good enough to challenge for victory. **12 Origo Band** is coming back after a short break. Has good skills when he competes at his best and should not be discounted in this race. **3 Don't Leave Me** gets a defensive trip and should have place chance.

1 Lives Matter was not at his best last time. The six-year-old is a quick starter and is the favorite for the lead and in that position he has won three out of five races. All the way? **4 Man After Midnight** has put in consistent efforts all the time. Is in fine form and from a good starting position he is an early contender here. **2 Donna Inez** is consistent and reliable, but doesn't win very often. Uses to finish fast with the right trip. **6 Ett Under** has done well of late and looks to be on the way up.

Is undefeated in the lead after two attempts and if she gets there she will not be easy to pass. **5 Mr Bonasera** won easily in the last race and impressed. Is good enough to fight for victory. **8 Second Serve** is quite gifted, but has a difficult starting position.

4 Toamericaandback has made two starts after a break and is approaching top form. Nice starting position and without a mistake he should have a good chance. **6 New Bold Dream** has not started since October and has also changed trainer since then. The form is hard to predict, but if she is as good as when she won last time she could score a new victory here. **7 Staro Savile Row** owns good speed but is not reliable at all. In the mix without a mistake. **1 Jist On Nova** is well drawn and should not be discounted despite the lack of races.
