RACE 1 — V4-1 — Auto 2100 — RANK

8 Eternal Queen took a surprising win from the lead in the last race and was really good. Has a poor number but can open quite fast. Our winner. **11 Hurricane P.T.** has shown good form of late and is driven this time by Rikard N Skoglund. Early choice despite this lane. **1 Daniel Frontline** faces nice conditions and has also a good lane. Can open fast and will probably get a good trip from here. **12 Valnes New Love** is poorly drawn but the horse is in top form and should not be forgotten.

RACE 2 — V4-2 — Auto 2100 — RANK

8 In Dreams was a brave runner-up in the last race. Hadn't raced since November and is probably even better now. Difficult lane but will probably be driven offensively. Good chance. **11 Kimi Pace** is also one of the better horses here. He got locked in at the end and is an early challenger. **12 Make My Trip V.S.** took two wins in a row last autumn and is good for this company. Tough draw of course. Barefoot behind for the first time. **2 Norah W.Boko** is clearly better than the latest results show. Did not impress in the last race. Run under his belt now and has a good lane.

RANK

6 Time for me to Fly is our idea in this mediocre race. We think Kevin Oscarsson could find the lead here and then he will probably not be easy to reach. **8 Muscle Will** has been consistent and good of late and is driven this time by the in-form Victor Rosleff. **11 Mago Volante** returns after a short layoff. Is definitely good for this company and barefoot is a big advantage. **7 Illapa** has won seven races in 16 starts and is better than the latest results show. New driver and an outsider.

RANK

7 Everon gets the tip in this pretty good lunch race. Has done well towards the end without winning but now it could be his turn. Will be allowed to take over the lead? **8 Mr Shyguy** is probably the best horse but he has has made early mistakes towards the end. Has been matched in the V75 and faces much easier opposition now. Driven by the trainer. **11 Peach** has also competed in the V75 and is clearly better than the latest results show. Should not be overlooked despite this lane. **3 Blue Frontline** doesn't win very often but is quite consistent and has a nice number.
