5 Västerbo Exciting comes back after a pause, but the stable is very pleased with the six-year-old who uses to do well straight after a break which he showed in the seasonal debut last year when he scored a nice victory. **2 Call Me Gleipner** is coming back after an unsuccessful trip to France. Wins often. **6 Västerbo Tramp** comes from a surprising win in the Bergsåker Winter Trot. Is in fine form and could be in the fight for victory again. **4 Herakles Zet** has a lot of potential but the form is hard to predict as he has not started since October.

14 Illbattingen won in the debut. He finished 29.3/700 with energy spared and if he is close to that effort, the others will have to chase the second spot. **10 Ängsprinsen** has done well in three starts without winning a race. Early choice if our pick fails. **1 Sörbo Doris** has a nice lane for a defensive trip and if she avoids a mistake all the way she is good enough to be in the mix. **13 Hubert** scored a good win in the last race but has been a scratch since then. He could pass many opponents during the final lap.

4 Secret Ale came back well in the last race after a gallop. Good chance of finding the lead and from that position he is the horse to beat. **1 Teaberry** can hardly hold the lead, but will reach a nice position and will pass many opponents if finding an opening in time. **7 Olympia Sting** has been consistent. No front shoes this time which is an exciting change. **8 Can't Be Ruled** put in some strong performances last year and should not be discounted even though this is the seasonal debut.

10 Hade Tur didn't get it right in the seasonal debut, but got a run under his belt and will be improved to this start - and should have the best chance to win this race. **14 Best Rauen** kept up the pace well in the last race and set a new record. Good starting position and could be good enough to win this wide open race. **3 B.G. Buller Gunhild** had not started for over five months before the last race. Will be improved now. **4 Nons Ville** has scored money in all seven starts and will score a victory soon.

1 Charming Laura galloped with energy left in the last race. The mare is developing well and from the lead - where she is likely to go - she should have good opportunities. **9 Tacky Sugar** makes her first start in Sweden and is driven by Daniel Reden. She is speedy but the chances are hard to predict. **10 Minerva Sisu** has been in good form for a long time and will be in top form. Has to be considered. **2 Vida Roc** is a quick starter but will hardly take the lead from the start. Should be considered from the pocket with an opening in time at the end.

3 Amberama Gold makes her seasonal debut, but she will compete barefoot straight away - just like in the final start of last year - and she will be hard to beat with a similar effort. **7 Brilliant Kid** is maintaining his nice form and if the five-year-old manages to take the lead, his chances will increase considerably. **9 Any Given Sunday** won easily in the last race and if the pace is high in the lead he will finish fast. **12 He's From Heaven** is in good form but in this starting position is a handicap.
