He comes from a good victory and has to be considered. 4 Stommens Berta makes her second start for the new trainer. 8 The Trick Vick has two runs under his belt for the new trainer and finished well in the last race. Could be dangerous with this number. 7 Diones Smaragd won three races last year and that was against three year old horses. She meets older opponents now and with one run under her belt she could fight for victory. 3 Zodiac Kronos uses to be in the mix when he avoids a mistake and in that case he has to be considered. 12 So Gå Ikaros has earned most money in this field and with the right trip from the back he should not be overlooked.
