**9 Alma Prins** has taken many wins in the last two seasons and should have a good chance again. Has beaten these horses before. Banker despite this 40 meter handicap. **2 Rygval** has been second and third at the end behind our pick. Can take over the lead here and challenge in that case. **8 Jardar** actually beat our pick two starts back but was clearly defeated by him last time. Should not be overlooked with the right trip. **3 Skjegge Svarten** earned the most money last year and is a little better than the latest results show. Outsider.

**5 Farsklars** is our winner in this tricky race. He has the best lane of the favorites and that decided the choice of our pick. **9 Kolbu Typen** was second to Farsklars in the last race. Doesn't win very often but should be considered early in this company. **8 Norbalder** won straight away in the comeback two starts back. Not at his best last time though and the form is a bit a question mark. Poor lane too. **10 Rofstad Teddy** galloped from the start in the last race but had done really well before that. Possible here.

Good chance. **11 Heika Fra Skaråsen** beat our pick in the last race when the latter one galloped. Could challenge again here. **9 Lesja Lekker** took two wins in a row last autumn. Wasn't as good after that but is back after a layoff. Possible straight away. **7 Tysvär Borka** was second despite a gallop in the last race and could surprise if the favorite gallops again.
